

Declaration of Independence

In Congress, July 4, 1776. A Declaration by the representative of the United States of American, in general congress assembled.

We hold these truths to be self evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that these are life, liberty, and the pursuit of happiness.

Also, Lincoln said that all Men were Created Equal and endowed by God, and that this nation, under God shall not Parish from the Earth.

We, the People, by the People, and For the People.

In addition, I don't think that our soldiers should be forced to fight and die under the United Nations commanders. We are not bib enough to police the entire world. It was not intended in the beginning of our great country.

This administration have slapped the largest tax hike in history, \$250 billion on the working men and women of America, while passing a budget to actually increase the federal debt by a staggering \$1 trillion by 1998.

Clinton has cut our military to below pre-Pearl Harbor level, and that is dangerous. That was the reason the Japanese attacked Pearl Harbor we were unprepared. I was there. I have a sign on my front door which says Pearl Harbor never again unprepared our Motto Remember Pearl Harbor keep America alert.

We have enemies, such as (North Korea) with nuclear bombs, which are capable of reaching U.S. Territory. I believe a strong defense to protect America.

Robeson County Students on Dean's List

Students are eligible for the Dean's list if they earn at least a 3.2 grade point average on a 4.0 scale while taking 15 or more letter grade credit hours. They also are eligible if they earn a 3.5 grade point average while taking at least 12 letter grade credit hours. Students must have no grades lower than a "C". On a 4.0 scale, "A" equals "B" equals 3 and "C" equals 2. All of these foreign teams are putting on an outstanding display of real good sportsmanship as they help each other up from a "trip" or fall. Low scores result when so much time is put into passing the ball. You don't see very much long kicks except from the goalie. Or "goal kicks" taken by the team opposite the one that last touched it, before going out of bounds over the end line.

Anyway, baseball brawls, hockey fights and even dirty football tactics are mild compared to "soccer riots." Hundreds have lost their lives in soccer riots. Foreign soccer fields have fences and water moats around the playing fields, thus keeping the fans away from rioting.

It's good to see the USA team able to compete with one win, a tie and a one to nothing loss to Romania. The passing and keeping possession is very outstanding with these top notch foreign teams. They grow up playing soccer. Soccer is not new to the USA. I played four years of it at Cortland Normal School, 1937-41. Fifty three years ago. How's that? I truly enjoyed my soccer at Pembroke State. We put in into the gym classes and got our players out of the gym classes. That was before the recruiting "wars" of today. You can't win unless you recruit the players with "educated feet."
