ROBESON COUNTY REPUBLICAN PARTY'S "UNPUBLISHED FINANCIAL CONTRIBUTION" TO A CANDIDATE

To The Editor:
At this moment of Almighty God's CREATED TIME-- I, Yvonne Maria Leow, "Being Blessed" to inhale the "HOLY BREATH OF LIFE" decided to, again, let my written words be "TRUTHFUL."

I read The Robesonian April 29, 1997 Headlines: "What Exactly Did Robeson County Republicans Do Last Year?" Allow me to share with you the Truth. A well-attended Reception was held at the Beautiful Home of the Robeson Republican Party Former Chairman James Sanderson. This well-organized Reception was in Honor of the Honorable Frances McArthur Cummings. In attendance was the Guest Speaker, The Honorable Harold J. Brubaker, Speaker of the NC House of Representatives. Also, many members of the Republican Party and the Democrat Political Party were present.

Frances McArthur Cummings received Four Thousand Three Hundred Dollars ($4,300) on this Special Occasion from the sponsors and attendees. I now say "Thank You" to our friend Franklin Biggs for his Five Hundred ($500) dollars and all other friends who contributed to Cummings' Elections Campaign.

The MONEY was spent "WISELY" for Elections Campaign Ads in the Carolina Indian Voice; (Editor Connee Brayboy knows and lives the Holy Scripture: "FEAR NOT MY LITTLE LAMB" and "BE YE FILLED WITH COURAGE)"; Radio Ads; and Educating "Registered, Unqualified" Voters "How To Vote." Connee Brayboy is truly a "WISE" woman.

An "Unqualified" Voter is a voter who depends on the advice of another person, as "Having a Tool and Know Not How To Use It." To "Vote and Elect" a Candidate to be your Hands and Voice in the NC General Assembly and in Washington, DC, you are to provide your Own Transportation and be able to Read and Write, then, "Vote and Elect" the "Name of a Candidate; Not the Name of a Political Party."

General Elections 1996, has proven where "Straight-Ticket" Voting caused the People of Robeson, Hoke, and Scotland Counties--District 87 to "Lose a Wise and Successful State Representative for ALL People."

General Elections 1996, the "Registered, Unqualified" Voters of Robeson, Hoke, and Scotland Counties--District 87, instead of accepting "Words of Wisdom," allowed themselves to be "MISLEAD" by the "Lying Tongues" of the "So-Called" Political Leaders and the "So-Called" Pastors of Churches who know the "TRUTH" but "CONCEALED THE TRUTH" from their "Listeners" THUS "Causing a Delay for People's Progressive Prosperity."

Such Leaders and Pastors "Sheltered Under" the Democrat Political Party's Name instead of Being TRUE to their Conscience (The Small Still Voice). My Grandfather always said, "Man-to Man is So Unjust, You Know Not Who to Trust." Therefore, "Pray a Prayer" for Answers.

Today, a Multitude of Voters who cast their votes for "Straight Democrat Ticket" realized their "Grievious Mistake" but "Too Late, Too Late Is Now The Cry." Pray not to repeat the same mistake during 1998 General Elections for "Congressional District 7."

The "Fire of Hell" is Raging furiously to consume the "False Political Leaders of ALL Political Parties, Pastors, Lay Leaders, and Lay Speakers for their Lies against another Candidate, as Democrat Donald Bonner for his Campaign Radio Ads with LIES, LIES, LIES."

The Honorable Frances McArthur Cummings' Successful Legislative Achievements, he (Bonner) "Can NEVER Surpass" during his Life-Period on Earth. Everytime I listen to Bonner's Elections Campaign Ads, I feel to "Place him Across my Knees and Whip him Severely until he says, "I AM SORRY." Democrat Donald Bonner should "Know TRUTH and Speak the TRUTH cost it what it will, but he is "Still the SAME Donald Bonner as years ago--A Known LIAR." He has caused much GRIEF to Many Human Hearts.

Could you imagine People claiming to be Ministers of the Gospel of Christ, Lay Leaders, and Lay Speakers for Denominational Churches and "Live Not" according to the HOLY WORD (TRUTH)? They stand on an "Area" called a "Pulpit" and change it to a "Political Stage" speaking against members of the Republican Party instead of looking at themselves in the "Mirrow of Life."

Being a Church Member "Does Not" Make you a CHRISTIAN (A Follower of Lord Jesus) loving Thy Neighbor As Thyself." You are a Christian whenever the "Christ Spirit" indwells in you.

Being a member of the Democrat Political Party or the Republican Party "Cannot Give" you "Wisdom" to Revise or Write State Laws or Speak "Words of Wisdom" on behalf of "ALL People."

I said during 1996, "Should Voters find a Candidate Who Can Surpass The Honorable Frances McArthur Cummings' Successful Legislative Achievements, Vote and Elect that Candidate."

QUESTION: Was a Candidate Elected Who Can Increase Prosperity for Robeson, Hoke, and Scotland Counties-District 87?

ANSWER: "NO." All Wise Democrats, Republicans, and Independents Pulled Lever #23 or "Shaded the Oval" next to Frances M. Cummings' Name and "RE-ELECTED" the Only Voice in the Majority Leadership for Robeson, Hoke, and Scotland Counties--District 87.

A Place is "VACANT" in the NC House of Representatives which "Has Not Been Filled" during 1997. Democrat Donald Bonner "Was Not" Elected according to "Moral Principles." He was "Carried In" with others by the Democrat "Straight-Ticket" Voting. This method allowed the "Qualified and Unqualified" Candidates to be "Selected" Not "Elected" as the "Wheat and Tares" together.

To be Elected, a Voter "Votes and Elects" the Name of a Candidate; Not the Name of a "Political Party" which Cannot Guarantee a "Wise Candidate."

Rev. John Campbell being a "Voice of Truth" published in the Robesonian his Political Recognition and placed Democrat Donald Bonner #4 instead of #1. Rev. Campbell "Did Not Deceive" himself nor the People of Robeson, Hoke, and Scotland Counties--District 87.

I shall now continue, "What exactly did Robeson County Republicans do last year 1996."

Two checks (one valued two thousand dollars; the other valued two hundred dollars) were given to The Cummings for NC House Committee for Campaign Expenses from the Robeson County Republican Party (Unpublished in the Robesonian 4-29-97).

The Honorable Frances McArthur Cummings, having 'Love' in her Heart for ALL People, returned the "Generous Contributions" of $2,200 to Sue Brown, the Former Robeson Republican Party's Treasurer.
Frances M. Cummings, although being a member of the NC Republican Party, had "No Desire" to accept any Financial Contribution from the Robeson County Republican Party. Frances was of the knowledge that the Robeson County Republican Party "had not" much financial assets. Therefore, the $2,200 "Was Returned" to assist other Candidates.

Frances Cummings' "Good Thought" was not accepted by a few Republicans. They are so 'Angry' with Frances M. Cummings for not accepting the $2,200. In fact, on May 15, 1997, when Robeson County Republicans assembled to vote and elect a member for the local Board of Elections, I was told remarks were made by a member of the Republican Party about the checks valued $2,200 which were returned with "A Good Thought." The Republican's "Tone of Voice" was not a "Thankful Tone of Voice" but rather "Displayed Anger."

I said to myself, "that person should know MONEY 'Cannot Overpower' Frances."

Dear Mr Sanderson

Please be advised that I have notified the State Board of Elections Reporting Office of the returned August 14, 1996 dated Checks Numbered 197 & 198 in the total amount of two thousand two hundred dollars ($2,200) written for the Cummings for NC House Committee's Campaign Expenses.

As you well know, I am accepting "Cheerful Contributions" to the Campaign in an effort to continue the Progressive Prosperity for the people of Robeson, Hoke, and Scotland Counties (District 87) and the State as well.

I am sure the Robeson County Republican Party can use these donated funds in an effort to assure the success for the Republican slate so that we might have the best representation possible for the people.

The Cummings for NC House Committee and I are moving closer to a "Victory" for ALL PEOPLE on Tuesday, November 5, 1996 and beyond.

I look forward to assisting wherever I can to promote our Party's efforts in the NC House of Representatives

Thank you, again, for all of your sincere efforts and support of me.

Sincerely yours,

Remember my Friends: "Freely You Give; Freely You Receive." After Frances did a "Good Deed," a check for two thousand ($2,000) dollars arrived from the NC Republican Legislative Forum.

This $2,000 check was accepted and spent not to pay "Elections Campaign Drivers or Poll Workers," but rather, to "Educate Voters who paid 'No Heed' to TRUTH" due to being "Wrapped Up, Tied Up, and Tangled UP" by the "Lying Tongues" of Satan's Members.

The Holy Scriptres say, "The Devil Is The Author of Confusion."

There is a 'Foolish' saying, "When You Are White, You Are Right; When You are Black, You Stay Back." I will say, "Frances Cummings can be called a Black Woman, but Frances will "not Stay Back or Be As Other Republicans in the Dust (as published in The Robesonian 4-29-97.)" Frances M. Cummings "Will Forever" be as a "Heavenly Soldier" on the Political Battlefield and Continue to do "Right" for ALL People.

I hope Rev. E. B. Turner is "Gradually Awakening" to his "True Leadership." On May 10, 1997, Rev. Turner joyfully presided at a 'special called-meeting' to discuss "Future Plans for Candidates" seeking Election during 1998. I was Happy Rev. E. B. Turner, a long-term member of the Democrat Political Party, realized he, 'claiming to be' a Minister of the Gospel of Christ, "Should Not" Speak Against any member of the Republican Party and Never Regard Members of the Republican Party as Atheists."

Reps. Eva Clayton and Mel Watt, Democrats, Did Not Agree that the Ten Holy Commandments be exposed to the Physical Eye of People in state government buildings such as the Court House. Should people be privileged to read the Ten Holy Commandments in the Courthouse, crimes can be reduced. Viewing Dr. Martin Luther King, Jr.'s photograph in a Court Room will remind us of his "Message"--"Almighty God Created ALL Men Equal and Non-Violence."

When The Honorable Frances McArthur Cummings introduced "The Prayer Bill for Prayer to be in schools, the Democrats had it kept in the committees. When the Republicans gained Leadership, House Bill 202 (Prayer Bill) passed the NC House of Representatives by an overwhelming Majority of Republicans.

Therefore, Christians are not only Members of the Democrat Political Party. Republicans have proven their "Christian Principles." Glory Be to Almighty God.

Rev. E. B. Turner had among the well-known members of the Robeson Democrat Party George Zeigler, Emmett Brown, Tom Jones, James DeFreece, John Campbell, Hubert Ellis, and many others. Members of the Robeson Republican Party included Landa Gaddy, Billy Campbell, and others.

This gathering is a "Stepping Stone" towards a "Happier and Better Tomorrow." I do hope Rev. E. B. Turner "Will Not Allow the Voices of Ignorance" to Prevent him from Continuing to Endeavor to Unite the Minds of People to be as one "Great Mind" going Forward with the "Torch of Truth" THUS, Defeating the Racial and Political Barriers and Proclaiming the Gospel of Christ--"Love Ye One Another." Then, Freedom Bells will ring throughout the State of North Carolina which includes Robeson County. I hope Rev. Turner has the "Spiritual Strength" to be able to "Stand Steadfast" on the "Rock of TRUTH."

Frances McArthur Cummings will always be a "Friend" to ALL People inspite of Political Affiliation or Church Membership.

"When the 'Spirit of Death' Strikes a Person"

My Friends: "Let us ALL remember, 'The Spirit of Death' has no Respect for Members of the Democrat Political Party, Republican Party, Christians or Non-Christians. Then, the Eyes of the Lifeless Body Cannot See Man-Made Currency Notes or Coins (Money), and its Hands Cannot Hold Money Anymore." "True Christians Will Have An Eternal Life."

Money cannot buy Love, Happiness, or the Blessings of Almighty God from the Supermarket or a Christian's Conscience.
The Holy Word (TRUTH) is as a Heavenly Light Shinning Unto my Feet upon my Life's Path on Earth.

Peace Be Unto You. AMEN.
