"By George! It works!" user crows.

**Little-known 'vitamin' makes love grand**

McKinney, TX-Little did Dr. Philip Handler know, back in 1941, that his newly discovered nutrient "Vitamin 15" would one day have men and women all over the country smiling quietly to themselves.

Today, N,N-Dimethylglycine (DMG) is no longer classified as a vitamin. But it has changed the lives of thousands of men and their mates.

A naturally occurring nutrient sold under the brand name NutriSurge (but more often called simply "The Love Pill"), DMG works by increasing energy, improving metabolism, enhancing oxygen utilization and increasing the flow of blood to key areas of the anatomy.

NutriSurge has a cumulative effect: the more you take it, the better it works. Most users take two, but up to six tablets may be taken daily. Satisfaction is guaranteed.

See for yourself why thousands swear by NutriSurge. Send \$29.95 plus \$4.95 postage & handling for a 60-tablet supply to TDM Research, Dept. NSC31, 123 South St, Oyster Bay NY 11771. Or call toll free 1-800-645-9199 and ask for Operator C31. Use the whole supply; then, if you are not completely satisfied, return the box for a full refund.
