

*Our ancestors fought for the land,
the language and the Indian way of life.*

Let's continue to be heard.

The Census Can Be Our Voice.

The Census only comes around every ten years. For American Indians, the small investment of time to participate in Census 2000 means that the voice of our Indian communities, our ancestors and generations of Indian people to come will be heard. If we do not participate, we may not receive the services and programs we need. In the circle of life, we speak not only for ourselves, but for all our Indian people.
