Local Pediatric office seeking a patient energetic, reliable, medical office assistant. Medical experience helpful, but not required.

Send resumes to: P.O. Box 118, Pembroke, NC 28372

To Native Americans:

Edmond Locklear, Jr. of Pembroke, a Native American, has designed a new check register. It has a RESERVE column. Check your check register. Does it have a RESERVE column? If not, you're far behind. You're missing a lot of things. No wonder you can't manage money well. Not surprised you can't stretch money as far as you would like to. You can't save like you wish to. You may run short between paydays. Checks may even bounce. You rip any savings you have to meet little emergencies because you don't have a little saving account (reserve) in your checkbook.

It's time to rise up and better yourself. It's time to switch to the new HAVE EXTRA MONEY ALL THE TIME CHECK REGISTER. Correct all the problems listed above. In these times you have to STRETCH money. You can't do it with that old relic check register you're using.

Locklear owns WFCPress and they publish the new register and other items. They have some users. They want 1 million more, who would purchase \$9 million a year in registers and printed checks. Locklear wants to build up WFCPress and share up to \$35,000 of the company's sales with fellow Native Americans. He's asking 300 people to purchase 100 packets of registers and use them for Christmas, wedding, birthday, graduation and love gifts to family & friends. That will give him the capital he needs and those 300 people would share in company sales up to \$35,000.

Besides that, those 300 people would help set up a publishing firm that would soon be hiring 200 to 300 persons, most of them Native Americans.

Locklear is calling on Native Americans to join hands and help develop jobs for our people. You start by ordering a packet of 3 registers - enough space for a whole year. With the packet you get the bestseller, "How To Have Extra Money All The Time", article: "How To Whip Credit Card Debt With This Register". You also get a 24 page brochure illustrating the products WFCPress will produce, including a valuable web business. Move for your people and send your check for \$12.96 for a packet to: WFCPress-CBP, Box 3187, Pembroke, NC 28372. Do something to really help our people. Help create jobs.

"It's all fun and games until someone loses an eye..."

That's what your parents told you when you were a kid. Shouldn't you tell your children?

Each year thousands of children suffer unnecessary sports-related eye injuries - bruised eyes, scraped or torn corneas, detached retinas and eye hemorrhaging.

Vision Council of America wants parents to know that wearing protective eyewear can prevent or lessen the severity of most eye injuries.

Talk to your eyecare professional about protecting your child's eyes.
