MRS. NAVY OF WALNUT Mrs. Navy, of Walnut, writes interestingly about her case, which, after dragging for years, was finally relieved in one week. Walnut, N. C.—"I suffered more or less during girlhood from female weakness," writes Mrs. Mollie Navy, of this place. "After I was married, I was almost bedridden and had to give up. We had three doctors. All the time I was getting worse. My trouble would last from 7 to 28 days. I gave Cardui a trial, and in one week I could eat, sleep and joke as well as anybody. In 8 weeks I was well. I was an invalid for five weary years. Cardui relieved me when everything else failed."

This contractor got results. Some years ago a contractor building a railroad in a warm climate was troubled a great deal by sickness among the laborers. He turned his attention at once to their food and found that they were getting full rations of meat and were drinking water from a stream near by. He issued orders to cut down the amount of meat and to increase greatly the quantity of Quaker Oats fed to the men. He also boiled Quaker Oats and mixed the thin oatmeal water with their drinking water. Also instantly all signs of stomach disorders passed and the men showed decided improvement in strength and spirits. This contractor had experienced that truth from the great value of good oatmeal. Quaker Oats is a natural food, and in terms of water and fruit for hot climates.
