Substation—Notes.

**Special to the Daily News**  
High Point, April 28.—Dr. W. F. Burrus, physician and surgeon, has been appointed to the new post of surgeon in the U.S. Public Health Service, which he will begin to take up on May 1. Dr. Burrus' work has been done in the surrounding communities, and he has been honored by the city of High Point.

The three Drs. Adams, who have been working on the new bridge, have been taken to a hospital in High Point, where they are now recovering from their injuries, and have been held in custody since the shooting. The only member of the community who has not yet spoken is the young man holding the rifle, who was shot in the head while being treated at the New York sanatorium.

Mrs. Burrus and her daughter will not accompany the doctor tonight, but will join him on the early train to New York and will stay until he returns to High Point.

**New Substation**

Work was begun today on the new \$2000 substation, which will be erected in the center of the town, back of South Main Street, on the North Carolina Power and Light company's property.

Cummings on South Main street, Ernest Horner, a young painter, fell from a ladder, on which he was working, a distance of about 12 feet, sustaining injuries to his ankle and foot so bad had to be carried home. It was thought at first that no bones were broken, but Dr. Crayton McAvoy and sons, who were hurriedly called to the home, declared that his leg was broken, which was immediately set.

**A Unusual Operation**

An unusual operation was performed today by Dr. Burman and Burrus at the Junior Order Hospital upon W. L. Stinson, a man about 50 years old, for appendicitis. The doctors decided that they could not put him under the influence of chloroform and this very old gentleman went through the operation without being unconscious at all. From the last reports from the hospital, he was doing very well under the circumstances and was in fine ease.

## SERVICES AT FOREST AVENUE YESTERDAY

More interest is being manifested in the services being held at Forest Avenue church this week. A splendid audience greeted Evangelist Charles E. Stebbins when he illustrated "Our power belongs to God and He is a God who has had power granted him in the right direction."

In his first message he convinced the audience that he was looking to God and God alone for his blessings, that believers are not to gather up but brought down from above by prayer and personal work.

Morning services began promptly yesterday at 10:30 a. m. and the services were interesting and inspiring to Christians.

The speaker's theme was "Kings of Water," looking at it in other scriptures. He also made transitions from one into another scripture, so that between the two hours of service there were 12 different subjects.

Evangelist Stebbins is a native of Forestville, N. C., and has been a successful speaker throughout the country.
