THOMASVILLE NEWS

(Special to Daily News.)

Thomasville, May 7.—The People's Building and Loan association of this place has during the past week made an unusual effort to secure 250 shares of stock of the new series, and through this effort, and as a result, it has been accomplished and now it has been decided to continue the work throughout all next week and secure 300 shares of this series. The Building and Loan is helping Thomasville grow.

Thomasville has two miles of belt railroad encircling the town along an abundant stream of water, affording magnificent sites, which are offered free to manufacturing plants. These sites are especially suitable for textile plants, as they are located on the main line of transmission of the Southern Power company. Long term tax exemption is offered by the town. There is abundance of cheap labor, particularly for textiles, available, as the men of the families work in chair factories. Thomasville is on the main line of the Southern railway, just 12 miles from where the new Southbound railroad crosses the Southern, which will no doubt in the course of a few years have a connecting line with the Piedmont railroad, connecting from Midway via Thomasville on to Whitney, thus giving Thomasville the very best possible railroad facilities. Prospective investors should visit Thomasville before investing elsewhere.

The Thomasville Electric Brick company will begin operations Monday, making 30,000 bricks per day. Machinery and everything has been connected up and now everything is in readiness to begin at the stated time.

The Moving Picture Airplane, opened

on Salem street on the vacant lot just below the First National bank, will show every night and will show a lot of pictures every night. It is being largely patronized.

(Special to Daily News.)

Thomasville, May 8.—Sunday was observed Mother's day and in the Methodist church Dr. Dred Peacock, of High Point, delivered a very interesting address to a large audience.

Sunday afternoon the Briarwood Chapter of the U. D. C. observed Decoration day. The exercises were held in the graded school chapel, which was filled to overflowing. An interesting program had been arranged and the vocal selection by the trio, Mrs. C. A. Duggs, Mrs. J. F. Hayden and L. B. Thomas, was especially sweet. The address by B. H. Averitt was especially instructive.

Crosses of honor were presented by Maj. J. H. Lambeth, Hon. P. C. Thomas, D. P. Doxson, W. R. March and W. L. Myers. After the exercises the chapter, with a large number of friends, went to the Confederate plot in the cemetery, where all the graves were decorated with beautiful flowers. It is the intention of this chapter to erect a monument in memory of these Confederate heroes buried in the cemetery here. Already a few hundred dollars have been secured, and as soon as a sufficient amount is raised an order will be placed for the monument.

Mr. Platt has been reappointed as tax lister for this township. He will be in Thomasville from June 7 to 11, inclusive, for the purpose of listing taxes.

The Davidsonian is the name of the new newspaper which will make its first appearance June 3. It will be a home printed paper, six column folio in size. The company issuing this paper is composed of S. W. Farham and L. A. Martin. It will start with a guaranteed circulation of 300 subscribers, and Messrs. Martin and Farham will have charge of the local and business departments.

June 25 and 26 is the date of the annual meeting at the Thomasville Baptist orphanage, which is always looked forward to by so many. The annual address will be delivered by Dr. John C. Kilgo on Wednesday, and on Tuesday night the annual sermon will be preached by the Rev. Dr. T. M. Vines. The above are two of the most talented speakers in the state, and an unusually large crowd will attend this meeting and hear these great speakers. From the preparations being made this will no doubt be the most largely attended meeting in the history of the orphanage.

Gerard Johnson, the talented son of our townsmen, A. Johnson, has been elected editor-in-chief of the Wake Forest Student. He is a chip off the old block. This is a signal honor worthily bestowed.

Engagement Announced. (Special to Daily News.)

Winston-Salem, May 8.—The formal announcement of the engagement of Miss Eugenia Stockton to Henry William Masten was made by Mrs. Florence Stockton at her home on South Main street at a beautiful luncheon. Miss Stockton is one of Salem's most popular young ladies, a graduate of Salem Academy, and possesses beauty and charm to a rare degree. Mr. Masten is register of deeds of this county and is a young man of great strength of character and counts his friends by the score.

Free hacks and automobiles for the big land sale of J. F. Jordan, which will be pulled off on May 11. Hacks and automobiles will leave the courthouse promptly at 12:30.

Save It By Dyeing It Black

Many times an expensive gown or wrap is so badly soiled or stained that the owner considers it ruined.

Often the garment can not only be saved for further wear, but actually made to look like a new article, by simply having us dye it over to a dark color, preferably black.

It might surprise you to learn how many articles we dye over in this way—and always satisfactorily.

Consult us about work of this kind.
