MT. AIRY NEWS NOTES

(Special to Daily News.)

(Special to Daily News.)

Mount Airy, May 15.—News reaches this city that the Pilot Mountain postmaster has resigned. Reports are in directlation that charges have been preferred against Mr. Gordon. His friends hope and believe that he will come out all right. He has not been postmaster very long.

The many rains and the continued cool nights and days make it a very disagree able for May.

J. A. Hadley, one of Mount Airy's public spirited citizens, has begun the creeking of another block of husiness houses right in the context of the summer shad these will be placed on the lake for the ammier of steel boats have been ordered and those will be placed on the lake for the ammier of the summer guests.

Both the hig hotels will be under the ment of the summer guests.

Both the hig hotels will be under the ment of experienced people and those who came may feel confident of first class accommodations. A number of steel boats have been ordered and those will be placed on the lake for the ammier of experienced people and those who came may feel confident of first class accommodations. A number of the summer guests.

Both the hig hotels will be under the ment of the summer guests.

Both the hig hotels will be open and those who came may feel confident of first class accommodations. A number of ordered and those will be placed on the lake for the ammier of experienced people and those who came may feel confident of first class accommodations. A number of steel people and those who came may feel confident of first class accommodations. A number of steel people and those who came may feel confident of first class accommodations. A number of steel people and those who came may feel confident of first class accommodations. A number of steel people and those who came may feel confident of good bearding house will be open also in addition to the hotels. At the latter th builde spirited citizens, has begun the erection of another block of business houses right in the center of the town. Brick and stone will be used.

Heury Wolfe, of Marshall and Wolfe,

COMMANDER JULIUS A. PRATT
POST NO. 143, DEPT. ILL., G. A. R.
Mr. Isaac Cook, Commander of above
Post, Kewanee, Ill., writes: "For a long
time I was bothered with backache and The frest last week did very little damage to the growing crops. How any thing escaped is a great wonder.

Today has been set apart by the city authorities as "cleaning up day." By a united effort much might be accomplished and sickness avoided—especially typhold fever.

### MONTREAT IS READY

Indications Point to Record-Breaking Season at Famous Resort.

(Special to Daily News.)

Montreat, May 13.—Although the season proper at Montrest will not open un-til July 8, yet alroady a number of reser vatious are coming in and the present vations are coming in and the present indications are that the coming season will be a record one in attendance. From practically all points in its territory the Southern railway has given a special rate of one and one-third of a one-way fare to Black Mountain, which is the railroad station for Montrest, tickets being good for return up to midnight of September 6. This should help to bring a large crowd, and the program for this summer is of particular attractiveness. Plans are now being made for a sand-clay road from the gates of the association grounds to the hotels, this being a distance of about one mile. This road will be an extension of the macadam road from the station to the grounds. An enlarged dam has been built and this

An enlarged dam has been built and this summer a beautiful take of about ten acres will be available. A number of steel boats have been ordered and these

early in June. This is composed of representatives from the Young Men's Christian associations in the various col-

leges and universities of the south.

About 500 college men will be present,
the conference lasting for several weeks.

The program for the conferences held
under the anapies of the association is
particularly rich in variety, and is remarkable for the number of distinguish
ed names which it contains. The proed names which it contains. The pro-gram follows: Bible Study.—The study of the word

Bible Study.—The study of the word of God at 9 a. m. each day will be the feature of the whole season. The speakers already engaged for this special work include Dr. White, of Columbia seminary; Dr. Pearson, of Lebanon university, Tennessee; and Dr. W. R. Dobyna, of St. Joseph, Mo.

Sunday School Conference.—The Sunday school conference will be under the management of Dr. Phillips, of Richmond, Va., and the date will be July 8-21. Some of the subjects to be treated are management, souipment, instruction,
