

PRICES DECLINED 6 TO 15 POINTS IN NEW ORLEANS

Being Only American Market Open, Business Was Restricted.

New Orleans, May 30.—Spot cotton, dull and unchanged. Middling, 14 1/2-15, sales on the spot, 250 bales, to arrive, 15 bales.

MONUMENT COMPLETED

Caldwell Daughters Will Have Unveiling June 3 at Lenoir.

(Special to Daily News.) Lenoir, May 30.—The handsome monument to be unveiled here on the June 3 by the Daughters of the Confederacy of this county to perpetuate the memory of the heroes from Caldwell county in the great strife to uphold the principles of the south in the Civil war has been completed and now stands veiled ready for the ceremonies.

The Steele Creek cornet band, of Mecklenburg county, has been engaged to furnish music for this occasion. Chief Justice Walter Clark, of the Supreme court of North Carolina, is to deliver the address of the day.

After dinner and the conclusion of the ceremonies of the day the old soldiers will be given an automobile ride over the town by the men who own cars.

David F. Clark, chief marshal of the Lenoir, has been very active in his efforts to make the day a success, working jointly with the entertainment and arrangement committee.

Invitations have been issued by the Lenoir German club for a dance to be given in the opera house on the night of June 3. Many out of town people are expected to be present on this date for the unveiling ceremonies and the social feature to be connected with and have been planned for this great occasion.

NEUSE RIVER LUMBER CO. WILL SOON BE ALL RIGHT. Durham, May 30.—The Commonwealth Trust company, of Pittsburg, today assumed control of the Neuse River Lumber company, which went into receivership some time ago.

Frank B. Cunningham had held the purveyorship of the business in its ancillary receivership, but the temporary treasurer is another now. It is a big business with \$50,000 liabilities and \$50,000 assets, besides its 30,000,000 feet of lumber. It will easily rise to its troubles since the permanent receivership has been established.

FUNERAL OF T. C. ROBINSON. (Special to Daily News.) Wadesboro, May 30.—The funeral service in memory of T. C. Robinson, clerk of the Superior court, whose death occurred Saturday, was held yesterday afternoon at the Methodist church and was conducted by the Rev. J. H. West, assisted by the Rev. T. W. Chisholm.

Mr. Robinson was a native of this county and for some years has resided at Ansonville. Eight years ago he was elected clerk of the Superior court and has made a model officer. Three weeks ago Mr. Robinson announced that he would not be a candidate for re-nomination and since that time has been confined to his room, although at times he was able to be up and was at all times cheerful and patient.

ESTIMATED ACREAGE

Some Cotton Crop Figures Gathered By Responsible Firm.

(By Latham, Alexander & Co.) New York, May 30.—With the view of obtaining the most reliable information possible concerning the cotton acreage of the United States for 1910, we addressed 4,000 letters to banks, bankers, cotton-commission merchants and responsible planters, embracing every cotton-growing county in the south.

Up to this date we have secured 2,900 replies of average date of May 20, and the following tabulation is the result. In our opinion it is as approximately correct an estimate of the cotton acreage as could be secured by direct communication with parties competent to judge residing in the southern states:

Table with columns: State, Acreage 1910, Acreage 1909. Includes Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, Missouri, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia, and Totals.

The total estimated of cotton acreage in the United States for 1910 is 3.3 per cent, or 1,082,000 acres more than last year and the average planting of the crop is 12 days later than last year.

The high prices that have prevailed for the past year has resulted in general increase in acreage, particularly in Texas and Oklahoma. The freezing weather in April caused considerable damage and necessitated a great deal of replanting.
