The Earning Power of Money

If every man had to depend upon his earning power, there would be no millionaires. It is the earning power of money that makes men wealthy. Your personal earning power may be limited, but you can save -your savings, if placed in this bank, will earn you 4 per cent., compounded four times a year. There is no lost time-no short hours-interest works incressantly for you. This bank cordually invites accounts

"Nickel-Careful" It is much more creditable, and more effective in the end, to be careful of the little leaks, than of the big extravagance. It is harder, too.

A careful watch over your expenses would show surprising totals from
the five and ten cent items.

The surest way to keep from spending money is not to have it handy. Estimate your necessary expenses, and put the rest in the bank, as soon as you receive it.
