WHOLESALE MERCHANTS FEEL GOOD OVER WAY BUSINESS IS MOVING

Past Year Has Been One of Most Successful in History of City Of Greensboro-January Starting Out Strong-Collections Reported to Be Better.

Persuaded to Return.

The wholesale merchants of Greens this year, causidering conditions," conboro are, as a rule, in a very optimia.

J. W. Patterson, secretary and treasurer of the Patterson company, wholewholesale circles. Generally, they are surprise at the amount of business bad the following to say concerning business Washington, Jan. 9. President Wilson done since the start of the new year ness in the past and prospects for the returned to Washington at 5:07 o'clock they feeling and not being loath to future, several good reasons being adtenuous from Indianapolis, where state, that the amount has greatly experiencing be had made his first purely coeded all expectations. The merchants

Anderson, who has been investigating detention camps in different European countries who see good prospects are those who tries.

The President's train was due here at lard times, they selling wholesale ground and tries and articles of men's tries.

The President's train was due here at hard times, they selling wholesale grossiales since January I have been heavy ceries, produce and articles of men's at they have as far, this will be the big-John R. Foster, of the Foster-Caviness

cave immediately and was persuaded to feel like conditions will be slightly un The train settled; but it appears that by hard work and the use of good judgment, all merchants that sell at wholesale should enjoy fairly good business." He tinued to the effect that business opened up much better than he had ex-pected and he sees no reason why it should not continue to be at least fairly good. Collections, according to Mr. For er, are only fair, but not so bad as dur ing one or two months last fall.

C. C. McLean, of the Thomas and Howard company, wholesale grocers said, "Business has been good since the first of the year. On the first trip of the year made by our traveling sentatives, both collections and were good. A little improvement is noticeable all round, and I can see no reason why it shouldn't continue." He emphasized the need of good weather, which would allow the roads to dry out and the people in the country to reach town as well as to allow local whole the delegation of the country to reach the country to reach the delegation of the country to reach the country the country to reach the country the country to reach the country to reach the country to reach the country the country to reach the country the country to reach the country to reach the country the country the country the country the co sale dealers to make deliveries of goods

in rural districts.
"Prespects look better since the first of the year," said W. M. Transou, of the Transou Hat company, wholesale dealer in men's headwear. "and n we have some seasonable weather," he continued, "business will open up on even a larger scale and fair husiness will be done from now on." He said that he would not be surprised at anything happening and for the reason, the chance of in rural districts. to stowds at Althona and Harrisburg and pening and for the reason, the chance of the unexpected occurring, he was heart-ily in favor of economy, both at home and in business, thus putting anyone in such a shape that they would be pre-pared for anything possible that might happen. He has hopes of excellent dust-ness in his and other lines during the coming fall, although he can see no rea-

son for his hopes; it is just confidence "All our traveling salesmen have gone ut on the road and each and every have done satisfactory business during this week, the time they have been out
