GREENSBORO DAILY NEWS (i) XXIV. NO. 74

Viviani, an who ork from of the Fre the noted French recently arrived in France as a special M.

words the desperate situation in which Frames unds it is facing rule and analytic to collect damage from Germany. Frames has been counting upon the 5000,000,000 reparations which are due under the treaty on May 1. Ger-many has said she cannot pay. Frames' budget exceeds constrougly her revenue last year she sold bonds to meet the damas. This ware she cannot do not

Last year she sold houds to meet the deficit. This year she cannot do so. Viviant's plea had nothing to do with the cancellation of debts. It is understood that the concrete sugges-tion he had to make was the creation of a credit for Germany in this coun-try which would flow from this country to Germany and thence to France to meet the first five billions reparations which come due on May 1. ome due on May 1 Viviani described France as blad

by the war. He spoke of her as the full broat of the great war waved civilization. He describ-as being still the outpost of civ. lightion

Highlion. He described the dangers to the world that would follow the collapse of France, the threat of Russian com-munism and possibly bolshevism. The what he said is described as a credit as is suggested aboy

If such a credit as is suggested above is impossible France has accomplished the purpose of getting its case for this country's sympathy before the admin-istration. Morally in view of what has been said it becomes more difficult for this country to make a separate peace with Germany and to pass the Knox resolution. resolution
