TO PUSH WORK FORWARD DIRECTORS ARE ELECTED

At a joint meeting Tuesday afternous of the beard of county commissioners and the Guilford highway commission, about 46 miles of Guilford vill said-cluy tops. With vesterday's authorization and the couds now underway of construction Guilford will be encired with fine top soil roads. Contracts will be let on the 46 miles as soon as passible and the work of ually started.

W. C. Boren, chairman of the highway commission to confinite carrying out its road program as rapidly at possible—there will be no let up. Epithwing is a skeich of the work authorized yesterday.

1. Oak Ridge to Stokesdale road distance of about four miles, topsoil This is a continuation of the work antiforized yesterday.

2. Summerfield depot to Brown Simmed, insmuch as it will be some time before the highway commission's contractor gets started. The road needs immediate regains.

2. Summerfield depot to Brown Simmit, via Hillsdale, distance of about 11 miles, sand-clay.

3. Gibsonville-Julian road, from Deck Clapp's home, via Joe Mays on the Tabernacle road, thence the most of the guilred to pay to enter the who do not buy grandstand tickets will be required to pay to enter the grandstand.

No report has been received as to what effect the draft will have on the

4. Road from Frank Bennett's place, via old Martinsville and pumping station and Hillsdale for a distance of about six miles, sand-clay,

5. Road beginning at Kivett's road crossing Deep river at the old from works-bridge, thence via Greene road to Bennett's chapel then into Pleasant do Bennett's chapel then into Pleasant Garden, a distance of about 10 miles.

Garden, a distance of about 10 miles.

in succession by the Patriots, and thay also declared that the baseball-loving public of Greensboro owed much to Colonel Ress for the work he had done to give the city a good club.

FORESTERS STUDY WHITE CEDAR IN NORTH CAROLINA

(Special to Daily News.)
Asheville, Nov. 8.—Approval by auhorities of the department of agriculthorities of the department of agricul-ture of a joint project between state and federal governments for studying the eastern white cedar of North Caro-lina, was received at the Appalachian forest experiment station here today, C. F. Korstian, of the station staff, will leave the latter part of the week to join J. H. Holmes, state forester, for a month's study of the eastern white pine, better known as the jupiter, in the dismal swamp.

cut-over areas of considerable extent, also the effect fire has upon the fall inal cases convened here yesterday for ure to reproduce. Other subjects upon which data will be secured include the effect dense growths of brush, which of the subjects upon and red bay have on retarding the rate of growth of seedling and sapilings, also other important data on youth with murder of another negro, which concrete information may be compiled pertaining to the rate of growth.

BURGLARS GET 728 CALLOYS

BURGLARS GET 720 GALLONS

OF WHISKY, WORTH \$43,200 Tell City, Indiana, Nov. 8.—Burglars entered a warehouse here this morn-ing, took 720 gallons of bonded whisky and made their escape after trying to burn 18 empty barrels. Entrance was gained through an air gate in the brick foundation of the building, After the liquor was removed coal oil was spread on the empty barrels and light-
