

Greensboro Plans to Honor All Service Men Tomorrow

The Parade Will Be Viewed By College Girls—Men Asked to Wear Uniforms—Myers and Klingman to Stage An Air Battle. All Business to Be Closed During Day.

Tomorrow ex-service men of Guilford county, with the assistance of many other citizens, plan to hold a celebration in Greensboro bigger than any ever staged in the city. Beginning with the parade at 10 o'clock

an interesting program has been arranged for the entire day. At 11:30 o'clock two addresses will be delivered at the courthouse and in the afternoon a football game will be played at C. S. Park.

The parade is the thing of greatest interest to the ex-service men. All Guilford county ex-service men are expected to be in the parade. All men in the city from other counties, as from other states for that matter, are also invited to take part. It has been requested that all wear uniforms but regardless of whether or not a man wears his uniform he is wanted in the parade. The parade will be formed on North Greens street between 3 and 10 o'clock, the cars beginning their journey at 10 o'clock. The cars will go out Spring Garden street to the North Carolina College for Women and will return going through the campus. President S. B. Turrentine, of the Greensboro college, announced yesterday that the girls of this institution will be allowed to gather on West Market street as the parade passes the college.

Do You Buy on a Guess?

OPERATORS of fleets of highway freighters, taxicab owners and thousands of mercantile and manufacturing establishments buy their gasoline on proved performance, the only sound business basis.

They must get power and economy to meet competitive costs. Their trucks need correctly balanced gasoline, with enough light vapors for quick starts even in cold weather; gasoline that gives unwavering power on heavy grades, that burns up so completely that it leaves a minimum of carbon residue, that gives the biggest mileage per gallon.

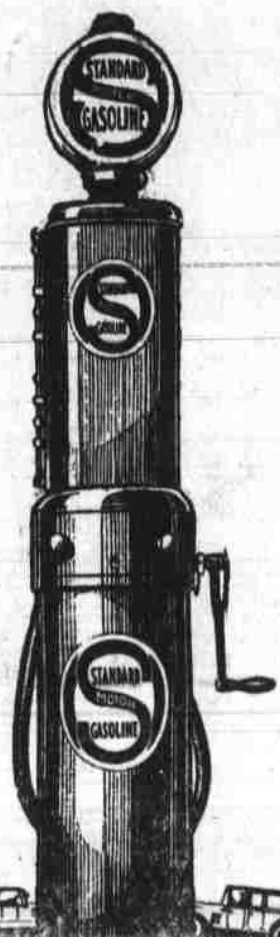

can make per gallon, and freedom from carbon accumulations over a long period.

This is not a guess work Gasoline

Innumerable tests in the laboratory and on the road under every condition of service and climate have definitely established the superiority of this improved, balanced gasoline.

You don't have to go out of your way to get "Standard" Motor Gasoline, nor do you pay a premium for it. One quality wherever you buy it—the best.

Lubricate with POLARINE and complete your satisfaction.

Sundstrand FIGURING MACHINE

Sundstrand Adding Machine Sales Agency

302 Southern Life and Trust Building, Greensboro, N. C. Phone 3140

Offices where figure work is handled rapidly and accurately invariably use the Sundstrand Figuring Machine as standard equipment.

The Sundstrand has only 10 keys—one for each numeral. Operation is by the rapid touch system—one hand doing it all. Hence, figure work is handled easier, quicker and at a decided saving in time, money and effort. The results are always accurate. Have the Sundstrand demonstrated on your own work. See for yourself how it will out-pace figuring costs. Ask about it today.

Kellogg's Bran is nature's own relief from constipation!

You must not take chances with constipation when statistics tell you that nine-tenths of all sickness can be traced to it! You must get permanent relief; you must drive constipation out of your system!

Realize that pills and cathartics, at best, can only afford temporary relief, while they are irritating to the delicate intestinal tract.

Now—compare the action of these pills and cathartics with the natural and wholesome effect of Kellogg's Bran, cooked and krumbled. Science knows of no such wonderful sweeper, cleanser and purifier of the bowels as Kellogg's Bran, yet it is simply nature's food. Bran's effect is certain and relief permanent if at least two tablespoonfuls are eaten daily. Chronic cases should eat as much more as is necessary for results. Taken consistently, Kellogg's Bran will drive constipation from the system. Your physician will indorse the use of Kellogg's Bran for constipation!

Eat Kellogg's Bran either as a delicious and nutritious cereal, or sprinkle it over your favorite cereal. Eat it in many other foods which are made more appetizing by its nut-like flavor! Kellogg's Bran pancakes are the best you ever tasted! Use it in raisin bread or muffins, gravies, macaroons, pancakes, etc. (Recipes on package.)

The big thing is to get Kellogg's Bran into your system quickly! Give it to every member of your family!

P. S.—Pimples are caused by constipation. Kellogg's Bran will clear them up and also free your breath from intestinal odors.

NOTHING can exceed the captured charm of the Waverly Package.

The fleeting, luscious delicacy of ripe, natural fruits (even strawberries) caught and held in pockets of enchanting chocolate, ready to bring the light of pleased tribute to the eyes of some candy-hungry maid who will equally enjoy the chocolate pocketed nuts in the same package.

THE SCIENTIFICALLY BUILT WATCH

Waltham Convertible Wrist Watch 3/0 Size with patent disappearing eye in case 15 Jewel movement \$30 7 Jewel movement \$21.50

Friend or Enemy!!

WHEN you buy a watch you make a friend or an enemy.

The watch that is always needing repair and is difficult to put right, if any part goes wrong, becomes an enemy to your purse, and makes you an enemy of the jeweler you bought it from. Its cost increases the longer you carry it.

Why not be sure that the watch you buy has behind it the integrity, and in it the ability of the oldest and most experienced watch-making establishment in the country. A watch that is easily repaired and, if given reasonable care, will give you dependable service as long as you live.

A beautiful Watch, a faithful friend.

Consult your jeweler. He knows Waltham Watches.

Write for a valuable booklet that is a liberal "Watch" education. Sent free upon request. The Waltham Watch Company, Crescent Street, Waltham, Mass.

WALTHAM THE WORLD'S WATCH OVER TIME

Makers of the famous Waltham air-friction quality Speedometers and Automatic Time-pieces used on the world's leading cars

AMUSEMENTS

Louise Glaum At the Isis. Too often the comment is made: "If you like such-and-such a kind of play, see so-and-so."

That is not fair to the spectator, whose entertainment must be of a universal scope and not of a classified pattern.

"Sex," the new Louise Glaum silent drama at the Isis, presented today, presents an age-old problem, but without offering any solution, it helps the viewer to appreciate the fact more vitally than perhaps ever before that the problem of "sex" can never be solved in the theory, but may be remedied in the practice.

Miss Glaum's performance as Adrienne Renault, the Frivolity beauty, who leads too fast a life, and, later as the wife, who is too devoted to her husband for him to appreciate her—all human you must admit—is a revelation to her friends and a bit of potent evangelicism to those who heretofore have not realized her many charms as an actress.

The supporting cast is composed of familiar names and big ones, too, including Myrtle Stedman, Irving Cummings, William Conklin and Peggy Pearce. The direction, by Fred Niblo, is impeccable and highly to be commended in every artistic and dramatic particular.

There are other added attractions, such as comedy, scenic and new reels, to say nothing of Professor Shugert and the Isis orchestra.

Coming Friday and Saturday is William Hart in "Lion of the Hills."

"The Great Impersonation." James Kirkwood, featured player in George Melford's new Paramount production, "The Great Impersonation," which is to be shown at the Bijou theater for the last time today, has one of the most dramatic dual roles ever portrayed on the screen.

The skill required in the portrayal of this role will be understood when one considers the fact that Mr. Kirkwood must embody two racial characters with entirely different characteristics—one a German, the other an Englishman.

The role becomes further involved when as the story develops, it appears that the German has killed the Englishman and impersonated him in Berlin, acting as a spy of the Imperial Prussian government just prior to the great war.

This Paramount picture is an adaptation by Monte M. Katterjohn of E. Phillips Oppenheim's novel, "Ann Forester Winter Hill, Truly Shattuck, Alan Hale, Lawrence Grant, Fontaine La Rue and other noted players are associated with Mr. Kirkwood in the all-star cast.

Continuous music by the Bijou orchestra and symphony pipe organ is an everyday feature at the Bijou. "Trapping a Coyote," another one of the Bill and Bob pictures, will also be shown again today.

CAROLINA AND TRINITY MEET FOR TENNIS HONORS TODAY

(Special to Daily News.) Chapel Hill, Nov. 9.—The tennis team of the University of North Carolina is scheduled to go to Durham to meet the Trinity college team tomorrow afternoon. The meet was to have taken place today but was postponed on account of rain. There will be four singles and two doubles matches. In the try-outs to determine the make-up of the varsity team, B. H. Hardin, of Wilson, has qualified as Carolina's No. 1 man. His three teammates will probably be Thomas Hawkins, of Charlotte; Richard Johnston, of Asheville; and E. C. Jernigan, of Benson. For the doubles events the present plan is to pair Hardin with Hawkins and Jernigan with Johnston, although this is not positively decided yet.

MECKLENBURG GINNINGS ARE OVER TWICE THOSE OF 1921

(Special to Daily News.) Charlotte, Nov. 9.—More than twice as much cotton has been ginned in Mecklenburg county so far this season as had been ginned on the corresponding date last year, according to Census Director Parks Kirkpatrick, who has announced that up to October 18 a total of 11,999 bales had been ginned in 1921, against 4,832 for the same period last year. He attributes this to the early maturity of the crop.
