**Williamson-Harden Wedding.**  
Holy Trinity Episcopal church was the scene of a beautiful wedding last evening at 8:30 o'clock when Miss Bonner Williamson became the bride of Dr. Graham Harden, of Burlington, in the presence of a large number of friends and relatives. The church was decorated in a profusion of white chrysanthemums, intermingled with smilax, palms and ferns.

Just before the ceremony Mrs. E. H. Harding of Washington, N. C., sweetly sang "Untill," and "I Know a Lovely Cord." Following this the vested choir sang "The Voice That Breathed O'er Eden." Wade R. Brown directed the musical program.

The bride party entered in the following order: Usher, Wilson Williamson and Paul Stevens followed by Walter Holt and R. C. Kelly.

Mrs. R. C. Kelly, of Winston-Salem, sister of the bride, as dame of honor, wore a gown of tulle taffeta and lace and carried a shower of Ophelea roses, pom poms and daisies.

The bride with her brother, George T. Williamson, Jr., met the groom and his best man, Hoyd Harden, of Chapel Hill, at the altar, where the ceremony was performed by Rev. Robert E. Hoe, pastor of the church.

The bride was lovely in a gown of white chiffon and lace with pearl trimmings. Her veil was cap shape caught with orange blossoms and she carried a shower bouquet of orchids and lilies of the valley.

Immediately after the wedding an informal reception was held in the

apartment of the bride's mother at the Arcade in honor of the bridal party and a few friends. Delicious salad, minis, wafers and coffee were served by Misses Eva Stainback, Kathleen Price, Mary Wilson and Lucy Myers.

Dr. and Mrs. Harden left at 12:30 o'clock for a trip to northern cities, after which they will be at home in Burlington.

**GAY BANQUET GIVEN BY KAPPA PSI NU AT ELON**  
Boys and Girls Enjoy Themselves At Semi-Annual Event, Feasting and Speaking.

(Special to Daily News.)  
Elon College, Nov. 9.—The semi-annual banquet of the Kappa Psi Nu fraternity was held last evening from 7:30 to 9:30 in the domestic science hall.

The banquet given by the social clubs of the campus are always gala occasions on the students' calendar, and this one proved to be no exception to the rule. It was thoroughly enjoyed by the members and friends attending.

President and Mrs. W. A. Harper acted as chaperons for the dinner, and Mrs. Frances J. King and Mrs. Jennie Kirkland were guests of honor.

The domestic science hall was elaborately decorated. Gold and blue streamers, the Kappa Psi Nu colors, adorned the walls and ceiling and were woven together so as to give a basket weave, or lattice effect. Small tables to seat two persons were used, and these, too, were artistically decorated in colors to match the walls and ceiling, with yellow chrysanthemums adorning the center.

Immediately after the seating of the guests at the tables the program of the dinner was opened by the Kappa Psi Nu cheer, led by C. M. Cannon, and followed by the address of welcome given by H. G. Self, president of the club.

A four course dinner was served, consisting of fruit cocktail, fried chicken, escalloped potatoes, creamed peas, hot rolls, coffee and after-dinner treat; celery and olive salad with saltines, ice cream and cake.

L. M. Cannon served as toastmaster for the evening. A brief talk on the ideals of the Kappa Psi Nu was given by L. O. Hauser and another particularly pleasing item was a solo song in negro dialect by O. C. Johnson. At intermissions throughout the course of the dinner toasts to the girls and chaperons, responses, stories, poems, readings, and jokes were given by Misses Helen Hayes, Mary Swanson, Mrs. L. M. Cannon, Mrs. W. A. Harper, Messrs. W. M. Garrison, S. M. Lynam, R. S. Rainey, E. C. White, H. Scott, R. W. Everett, M. L. Patrick, C. L. Walker, J. M. McAdams, W. E. Moon, P. D. Rudd, M. Z. Rhodes, W. T. Scott, and W. A. Harper.

(Special to Daily News.)  
Henderson, Nov. 9.—For the second time in about a week, the Anchor store was broken into by robbers Monday and this time a rich haul was made by the intruders. A number of velvet hats, several overcoats and a number of suits of clothes were stolen, and possibly other things that have not yet been discovered. The extent of the robbery is in the loss of clothing.

Entrance was made from the fire escape on Winder street, near the watchman's hut at the railroad crossing.

Bloodhounds were brought here this afternoon from Norfolk, and were to be put on the trail immediately in an effort to run down the thieves.

**AN ALLEGED FORGER IS ARRESTED AT CONCORD**  
(Special to Daily News.)  
Concord, Nov. 9.—A young white man who signed two "bogus" checks "W. H. Wilson," but who later gave his name as Tom Johnson and his home as Charlotte, was arrested here Monday. Monday afternoon charged with passing worthless checks. One check was for \$42, written on a Charlotte bank, and the other for \$4 was written on a Concord bank.

According to the police the man went to the Dell-Harris Furniture company last week and purchased \$40 worth of furniture, stating that he lived at the Brown mill near here, and would come in the next day and have the furniture delivered. He presented a \$42 check for payment, and received \$2 in cash.

The same day he went to the Concord Motor company and told the manager he wanted to purchase a car. He was given a demonstration, and later the garage cashed a \$4 check for him. He was not seen again until Monday when one of the employees of the garage recognized him on the street and had him arrested.

When arrested the man had several hypodermic needles on his person, the police stated, and also had a prescription.

**YOUNG GIRLS NEED CARE**  
Mothers! Watch Your Daughters' Health  
Health Is Happiness

From the time a girl reaches the age of twelve until womanhood is established she needs all the care the thoughtful mother can give.

The condition that the girl is then passing through is so critical and may have such far-reaching effects upon her future happiness and health that it is almost criminal for a mother or guardian to withhold counsel or advice.

Many a woman has suffered years of prolonged pain and misery through having been the victim of thoughtlessness or ignorance on the part of those who should have guided her through the dangers and difficulties that beset this period.

Mothers should teach their girls what danger comes from standing around with cold or wet feet, from lifting heavy articles, and from overworking. Do not let her overstudy. If she complains of headache, pains in the back and lower limbs, or if you notice a slowness of thought, nervousness or irritability on the part of your daughter, make life easier for her.

She needs thoughtful care for a few years.

In all such cases Lydia E. Pinkham's Vegetable Compound should be given as it is especially adapted for such conditions. It contains nothing that can injure and can be taken in perfect safety.

**Read how Mrs. Eicher helped her daughter.** She says: "At the age of sixteen my daughter was having trouble every month. She had pains across her back and in her sides. Every month her back would pain her so she could not do her work and would have to lie down. My married daughter recommended Lydia E. Pinkham's Vegetable Compound and I read the books which were left at my door. She took it faithfully and is now regular and has no pain. We recommend the Vegetable Compound and give you permission to publish this letter in your little books and in the newspapers."—Mrs. KATHY EICHER, 4084 N. Fairhill St., Philadelphia, Pa.

Mrs. Williams will profit by her own experience. She says: "When I was thirteen years old I had sick spells each month and as I was very backward I would wear the pain and my mother knew nothing about it. I read in the daily paper about Lydia E. Pinkham's Vegetable Compound and took my own spending money and bought a bottle. It helped me so much that I took it regularly after that until I had taken two bottles and I did not have any more pain or backache and have been a healthy, strong woman. I am now 35 years old and have a little girl of my own, and when she gets old enough I shall give her none other than Lydia E. Pinkham's Vegetable Compound."—Mrs. C. E. WILLIAMS, 2437 W. Toronto St., Philadelphia, Pa.

For almost fifty years Lydia E. Pinkham's Vegetable Compound has been relieving women, young and old, of ailments peculiar to their sex. Ask your neighbor about it, for in every neighborhood there are women who know of its merits.

Thousands of letters similar to the above are in the files of the Lydia E. Pinkham Medicine Co., and for years such letters have been published. Surely it is worth your while to make a free trial of Lydia E. Pinkham's Vegetable Compound.

**Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women"** will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.
