

THANKSGIVING OBSERVED IN VERY QUIET MANNER

Services At Many Churches. Throngs Attend the Chapel Hill Football Game.

POLICE HAVE LIGHT DAY

Thanksgiving day in Greensboro was a very quiet one. Many folks went to Chapel Hill for the football game, quite a number went hunting and the rest of the folks apparently spent the afternoon automobile riding.

Practically all of the churches held services yesterday morning and large numbers attended. The day was very quiet. Even the police had a quiet day. Only a few drunks—very few, indeed—were found on the streets by officers and the general behavior was extraordinarily good.

There was an awful lot of interest in the Carolina-Virginia football game for early in the evening the telephones in the Daily News office began to ring and practically every call was an inquiry in regard to the outcome of the game. And the result was apparently satisfactory to most of the folks.

All in all, the day was well spent. Many turkeys were eaten at the noon meal and many families last night, following immemorial custom, ate dressing and other accessories left over from dinner.

At a meeting held yesterday in the local postoffice building rural letter carriers of the fifth district, North Carolina, organized and elected T. A. May, of Elton College, president.

RURAL LETTER CARRIERS OF FIFTH DISTRICT FORM

T. A. May, of Elton College, is Elected President—Carl H. Howard Makes Interesting Address.

At a meeting held yesterday in the local postoffice building rural letter carriers of the fifth district, North Carolina, organized and elected T. A. May, of Elton College, president.

The purpose of the organization is that carriers may become better acquainted with their duties to the people and the postoffice department; they hope to make themselves better representatives of the postoffice department.

Carl H. Howard, of St. Paul, state president and national vice president of the letter carriers, was present and made a very enthusiastic speech, encouraging the members to strive for the betterment of the service in the district.

The perfection of the organization here yesterday marks the beginning of a new era in the fifth district. The members believe that the state will be benefited by such an organization.

Have you forgotten to contribute to the Barium Springs Orphanage? If not, will you see your church treasurer today or put it in next Sunday's collection, or send it to Supt. E. McS. Hyde, Barium Springs, N. C.

Vice President Coolidge, among other wise and thoughtful things, has recently said: "Look well then to the hearthstone; therein all hope for America lies." The man who is looking well to his hearthstone is very apt to take out a Maturing Life Insurance Policy. It will carry out his purpose for his home if he dies, and it will also keep the fire on his hearth in his old age. And it is an unselfish policy, for it does not shift upon his children the provision for his own old age. The Provident's Maturing Policy is not surpassed for security, low net cost or clearness of contract.

The "Why" Of FORDSON SUCCESS

Why are there over 200,000 satisfied Fordson owners today? You may have several reasons handy. It is convenient to operate, easy to get at the working parts with oils, etc. It has plenty of power and is accompanied by the best dealer SERVICE in the world.

But despite all these important advantages they are not the real reasons for the success of the Fordson in every country in the civilized world. There is one basic reason without which all the others would be of no avail. THE FORDSON IS BUILT RIGHT.
