

HENRY FARRIS WANTED ON A HOMICIDE CHARGE

He is Alleged to Have Killed a Man in Henry County, Virginia.

NEWS NOTES OF DANVILLE

(Special to Daily News.)
 Danville, Va., Nov. 24.—Commonwealth's Attorney J. R. Taylor, of Henry county, is investigating two homicides which have been brought to his attention. Henry Farris, of Spray, N. C., is sought by the authorities charged with shooting and killing a white man whose name is given as Ogburn, and who is said to hail from Lynchburg, and wounding Samuel Shelton, of Spray, waylaid them in the road about 150 yards from the North Carolina line in the southeastern part of Henry county. Ogburn and Shelton had been visiting friends in Virginia and were returning home when it is alleged Farris, standing in the road, shot, killing Ogburn instantly and wounding Shelton in the side. Shelton drove the car with the man he thought he wounded, despite his own injury, to Spray, where it was found that Ogburn had died probably some time. Shelton was taken back to Martinsville and a bullet extracted from his side. He is not seriously ill. One eye witness has been found in the tragedy, this man declaring that he was talking to Farris, who appeared to be waiting in the road for the two men in the car to pass. The theory of the commonwealth is that Farris mistook the two men in the car for two against whom he had a grudge, shooting them unceremoniously as they passed. Farris escaped after the shooting and has not been heard from since. Warrants are out for his arrest.

The second homicide took place near May where, it is alleged, G. H. Hairston, a road foreman shot and killed a negro who he claims drew a pistol on him.

The death of Miss Elizabeth Mortimer Reynolds, 19-year-old daughter of J. C. Reynolds occurred this morning at her home in Witt after an illness of five months. Pleurisy with complications caused her death. When taken ill she was in her senior year at Averett college and would have graduated last summer. She was a member of Mount Hermon Baptist church from which the funeral will be conducted tomorrow afternoon at 2 o'clock. She leaves besides her father, two sisters, Mrs. I. Thurston Bendall, Danville; Miss Janie Lee Reynolds, of Witt, and two brothers, Frederick H. Reynolds and Garland Reynolds.

Damage estimated at \$10,000 was

done last night in fire which for a short time threatened the first block of Craghead street. The blaze originated in the upper floor of a two-story building owned by E. H. Mitchell at the corner of Craghead and Patton streets, or in quarters used as a rooming house. Most of the damage was done by water for the fire department was compelled to use two streams, the water seeping through into the Uneda lunch room, the shoe store of I. Goldstein and into a cigar store adjoining.

The stock in both stores was badly damaged. The entire fire fighting facilities of the town were called to the scene of the fire, which was not spectacular since it was confined to the interior of the building. The loss is said to be partially covered by insurance.

Prohibition officers raided an illicit distillery yesterday near Weatherford, destroying the 100-gallon capacity outfit and full equipment. The still had the appearance of being an old one. No operators were found at the spot and no arrests were made.

Thanksgiving day was quietly observed here today. Special services were held in some churches. Business houses remained closed but the industrial plants ran as usual. Many people went to Chapel Hill to witness the Virginia-Carolina game and numerous hunting parties took the field.

The funeral of A. M. Southall, who died here unexpectedly yesterday, will be conducted from his home tomorrow morning at 11 o'clock by Rev. Malcolm S. Taylor, rector of Epiphany church. News of his death came as a shock to the community in which he was widely known, especially among the poorer classes of people who today own their own homes as a result of his initiation here of the building and loan policy many years ago. His death, it develops, was entirely unlooked for. An operation performed with a local anesthetic for catarract at the General hospital gave promise of being successful when it is surmised that medicine containing an opiate had deleterious effect on his heart which was not known to be weak.

Besides his widow, who was Miss Bettie Corbin, he leaves two daughters, Misses Eleanor and Maude Southall, all of this city. He leaves two sisters, Mrs. A. W. Taylor, Danville, and Mrs. J. A. Cooper, of Williamsburg.

Dr. John C. Anderson, a widely known physician of Pittsylvania county, died at his home near Greensboro at an early hour this morning following a long illness involving his heart. The funeral will be held from the home place tomorrow morning at 10 o'clock.

County Officers J. E. Elze and W. A. Thomas yesterday destroyed a large still in the vicinity of Sutherland. Eight hundred gallons of beer was poured out. The still was deserted and no arrests were made. It was a copper son-tainer of 125-gallon capacity.

Kenansville News.
 Successful Revival at Presbyterian Church—Personal Mention.
 (Special to Daily News.)
 Kenansville, Nov. 24.—Duplin county court convened here Monday morning for a term of two weeks, with Judge Daniels of Goldsboro presiding. Criminal cases are being tried this week, and next week will be given to civil cases.

Mrs. W. F. Hollingsworth and son, James, returned today from Goldsboro where they have been visiting the former's parents, Mr. and Mrs. Castex.

Mr. and Mrs. Birch left today for Roxboro where they were called on account of the illness of Mrs. Birch's mother.

Miss Mildred Beasley left today for Raleigh to visit friends.

Rev. and Mrs. George W. Oldham have gone to Mabane to visit Mr. Oldham's father, T. J. Oldham.

The Woman's auxiliary of the Presbyterian church met Monday at the home of Mrs. Geo. W. Oldham, and spent the day studying the Home Mission study book titled, "From Survey to Service." Each member brought lunch and dinner was served in picnic style.

The Tuesday Afternoon Book club was delightfully entertained at the home of Miss Mildred Beasley.

Rev. J. J. Murray who has been the guest of Rev. and Mrs. George W. Oldham, has returned to his home at Wilmington.

The protracted meeting which has been in progress at Oak-Plains Presbyterian church for more than a week, closed Friday. The pastor, Rev. Geo. W. Oldham was ably assisted by Rev. C. Connor Brown, Synod's Evangelist.

Born, Wednesday to Mr. and Mrs. Edgar Nicholson, a daughter.

Miss Daisy Jones has returned from Calypso where she was the guest of friends.

Mrs. Flossie E. Bird, who has been critically ill with pneumonia is some better, though physicians pronounce her condition as serious.

Herman Hall has returned from Raleigh where he has been on business.

Miss Annie Jones of St. Paul's has arrived to take charge of the Concord school.

Wake Forest Alumni are Active in Eastern Towns.
 (Special to Daily News.)
 Wake Forest, Nov. 24.—Wake Forest alumni are quite active in eastern towns. Returning from a successful trip to Seaside, T. B. Collins reports unusually fine meetings.

At Fayetteville the Wake Forest men run true to type. They put on one of the best banquets the secretary has attended. In the parlors of the First Baptist church the ladies served a magnificent turkey dinner, which the 20 men enjoyed to the fullest extent. After a jolly good time of song and story the following officers were elected: W. C. Downing, president; V. C. Bullard, vice president; H. C. Blackwell, secretary and treasurer. This same crowd had worked up a big audience for the Wake Forest Glee club which gave a concert that evening.

Lumberton is a Wake Forest stronghold. The alumni gave the Glee club a royal welcome and a big house. Rev. C. H. Durham turned the Sunday services over to Dr. H. M. Poteat in the morning and Secretary Trella Collins in the evening.

The Wilmington alumni were certainly on the job. Twenty-five old Wake Forest men assisted by the Meredith girls gave a delightful luncheon to the Glee club at the Y. M. C. A.

A branch Alumni association was organized. E. H. Joney was made president, Addison Hewitt vice president, E. B. Cox secretary, C. E. Taylor treasurer.

Franklin High School Publishes "Red and White"
 (Special to Daily News.)
 Franklin, Nov. 24.—The Christian Advocate Publishing company is getting out for Franklin high school this week its first number and first volume of "The Red and White," a three-column, eight-sheet newspaper. This is the project for the year of the entire school.

At a recent meeting of the Lister Literary society Clifton Mitchell was chosen from a number of others to represent Franklin high school in the 2019 Trinity college declamation contest. His subject is "Spartacus Before the Gladiators."

The prospects are that the representatives of the various schools will have an enjoyable meeting with the "Tri-Listers."

Is your conscience satisfied with the contribution you made to the Presbyterian Orphanage at Barium Springs? If not, see your church treasurer or send to Supt. E. McH. Hyde, Barium Springs, N. C.

YEAST BEST WHEN TAKEN WITH IRON

If Weak, Thin or Rundown Try This New Treatment in Tablet Form—Watch the quick Results.

Everyone has heard of the apparent wonders performed by yeast in restoring thin, sickly, and run-down people to health. And now it is found that even more surprising results are brought when yeast is taken with iron, the great blood-builder.

People who for years were weak, pale, anemic, and all run-down are regarding their strength and health almost as if by magic through this remarkably effective combination of yeast and iron. And the best of it is that you can take it in pleasant tablet form—no need to eat yeast cakes, which are so disagreeable to many.

The preparation in which these two great health builders have been combined is known as Ironized Yeast. This contains highly concentrated brewer's yeast which is far more effective than ordinary baker's yeast because it is richer in vitamins. Vitamins, as we all know, is the mysterious element which Science has found to be so absolutely essential to health. Due to modern methods of food preparation vitamins are lacking in most of our commonest foods—and this is why so many of us become sickly and run-down.

If you are suffering from loss of strength, if you frequently become exhausted, if your food has no taste for you, or if you are irritable, thin, pale, nervous, or generally run-down, then try this remarkable new tonic.

Ironized Yeast will in most cases bring a decided improvement within three days. It will usually clear up shallow or muddy complexions within 10 days. From everywhere come enthusiastic reports of what it is doing for people.

It is packed in patented Sani-tape packages and will keep indefinitely. Its cost is no more per dose than common yeast. Each package contains 10 days' treatment and costs only \$1.00—or just 16c a day. Special directions for children in each package. Made by Ironized Yeast Company, Atlanta, Ga.

SHO WROOM MODELS, SAMPLES

The Majority Are One of a Kind

The Dresses Are Like This

—but first of all you must picture in your mind's eye materials of the finest quality—tailored and finished as only dresses of the better grades are made. There are navy blues in profusion. Most of them, in fact, are navy. Browns enough to lend contrast to the picture.

Modeled like fashion says they should be—coat styles; charming little basques with full skirts; blouses; straight line effects.

Some are slashed into panels and embroidered, or adorned up the sides and at the bottom. Tunics with rich embroidery or braid; many are beaded. Narrow ribbons and military braids are most effectively placed. Some of the dresses are encircled with tinkling metallic girdles; some are not.

A BLOOD BUILDER FOR TIRED WOMEN

Pepto-Mangan Makes Red Blood—Sold in Liquid or Tablet Form

When a woman overworks, either mentally or physically, there is a strain on the vitality. Getting up in the morning she feels low in spirits. Her eyes are dull, her complexion is sallow or pasty.

A few bottles of Gude's Pepto-Mangan taken in regular doses is what will build up her blood.

The reason for this is known. It is simply that Gude's Pepto-Mangan makes blood rich and red. It has the things in it that make new blood and drive out the poisons in the system. New blood makes new vigor and gradually the depressed feelings vanish, the natural healthy glow comes back to the skin and there is pleasure in living.

Gude's Pepto-Mangan is sold at drug stores in liquid or tablet form. The full name, "Gude's Pepto-Mangan," is on each package. Advertisement.

Thirty Feet of Danger

The intestines bend and twist and turn on themselves—more than thirty feet of them—and when food waste clogs them up, irritating and dangerous poisons are formed and carried by the blood through the system.

Remove this food waste regularly with Nujol—the modern method of treating an old complaint.

Nujol
 For Constipation
