Vice President Coolidge, among other wise and thoughtful things, has recently said:

"Look well then to the hearthstone; therein all hope for America Res."

The man who is looking well to his hearthstone is very apt to take out a Maturing Life In-surance Policy. It will carry out his purpose for his home if he dies, and it will also keep the fire on his hearth in his old age. And it is an unselfish policy, for It does not shift upon his children the provision for his own old age.
