

DARTMOUTH LEADS OVER GEORGIA 7 TO 0

Post-Season Game Cleanly Played and Full of Thrills From Kickoff to End.

DARTMOUTH ELEVEN BEST

Atlanta, Ga., Nov. 26.—The Dartmouth football team from New Hampshire triumphed over Georgia university's gridiron warriors, 7 to 0, here today in a post-season game that was fiercely fought but cleanly played and full of thrills from the kickoff to the final whistle.

On their own 37-yard line and with the second period almost over, the New Hampshire leads resorted to the aerial attack. Georgia had been breaking it up in haphazard fashion. For three successive times the sphere was hurled only to fall to the ground.

The game was played in a misty rain before a crowd of 10,000 at Grant field. The Georgia student body was down from Athens to cheer its team. The Tech students turned out and cheered Georgia, too, but they never hesitated to roar their approval at successful attacks by Dartmouth on the Georgia line.

They saw a Georgia team mighty on defense, but weak compared to Dartmouth on attack. For the Green team gained 127 yards on straight football and made 10 first downs to Georgia's 158 yards and seven first downs. Dartmouth was penalized six times for offense and once for holding.

Army Fortifications Battered By Navy In Football Classic

In Second Period Navy By Line Plunges and End Runs Makes Touchdown and Kicks Goal—The Game Ends In a Score of 7 to 0 In Favor of Navy.

New York, Nov. 26.—The battleships of the navy 11 ploughed through the heavy seas of the Polo grounds today, battered the army's fortifications in the rain, captured the annual service football classic by a score of 7 to 0 and took the lead in the series. Since 1890 the navy has won 15 times and the army 11.

The navy scrapped its airplanes upon discovering early in the game that dreadnaughts were more effective for making progress against the enemy. It made an attack with line plunges and end runs that resulted in an advance of 53 yards to a touchdown early in the second period.

Barchet was the stellar battle cruiser in this program toward the last white line and indeed throughout the game. From his own 44-yard line he circled end on a kick formation 20-yards. Conroy and Barchet then alternated in carrying the ball out tackle from a gridiron formation until the former smashed through for a touchdown, followed by King's goal.

The advance that culminated in this attempt was the only exhibition of offensive power by the army until the flash toward the end of the game. Smythe started the thrills on the first line-up of the game by a 20-yard end run from kick formation. French made one smash that gained six yards and another that earned 11, but these gains

NAVY'S TRIUMPH RECEIVED WITH JOY AT ANNAPOLIS. Annapolis, Md., Nov. 26.—Navy's triumph over Army in the annual football struggle today was received with wild enthusiasm among local fans who stayed home largely because they were unable to get coveted admission cards, and by the people of the town generally. The result puts navy one game in the lead, the middies' victory last year having made the series even at 11 each and one game resulted in a tie.

The middies will suffer the heaviest losses in years by graduation next June as six members of the team belong to the first class. The coaching staff will, therefore, have their work well cut out for them in building a machine for the 1922 campaign. Those who will graduate are Captain Larsen, center, Frawley, right guard, King and Wiedern, tackles, and Cruise and Koehler, backs.

Holy Cross Easy Winner. Boston, Nov. 26.—Holy Cross exacted the heavy toll of six touchdowns from Boston college in the annual football meeting between the two rivals at Braves field this afternoon. The score was 41 to 0. A field made heavy with rain proved little hindrance to the Holy Cross backfield, which carried out a fast running attack mixed with a system of forward passes that the maroon and gold could not halt.

ORPHANS FUND REPORTS ARE VERY ENCOURAGING. First Presbyterian Church of Charlotte. Leading At Present With Total of \$16,000. A. M. Seales, chairman of the Presbyterian Laymen's committee for the orphans, is receiving gratifying reports daily from churches in all parts of the synod on the Thanksgiving offering for Barlum Springs orphanage, though none of the churches have as yet matched the record of the First church of Charlotte, whose members filed up a grand total of \$16,000 for the fatherless.

In past cases, too, where reports have been made, it is stated that the offering is as yet incomplete; that the sums specified will be considerably enlarged. This is expected to happen in most churches tomorrow, when members who were not present the preceding Sunday or at the Thanksgiving day service will add their contributions. In numbers of cases tomorrow is the day set for the offering. By the close of another week the committee hopes to be in position to report that the full amount asked has been given. "Originally it will be able to fill the list of names set by Charlotte First Presbyterian is followed elsewhere.

DR. RANKIN AND COUNTY DOCTORS DISCUSS CLINIC. Further Conferences Will Follow and Full Proposal Will Be Submitted To Society Thursday. Dr. W. S. Rankin, secretary of the North Carolina state board of health, was in Greensboro yesterday conferring with Drs. W. M. Jones and J. T. J. Battle, and W. J. McAnally, of High Point, regarding the proposed public health clinic for Guilford county to be established by the county medical society. The three Guilford county physicians will hold further conferences this week to perfect the proposals and will present the matter formally at the meeting of the society Thursday night. Dr. Rankin was called in to give advice on the plans. The proposal involves pioneer work in public health measures in North Carolina. The establishment of the clinic at which any person in the county may obtain a physical examination, but it also involves much additional work including medical talks in many parts of the county and a definite, wide-spread, concerted effort to spread the gospel of physical soundness throughout the county. According to the tentative plans, all the clinical work will be free but not the actual medical work. Thus any person would be able to get a free diagnosis of his condition, but actual medical treatment followed, it would be upon the regular basis. The proposal has been discussed at length already by the county society and a great deal of favorable opinion has been made concerning it. S. L. BLANTON, OF LAWNDALE, WINS THE MEDAL AT TRINITY.
