

COBB & TERRELL

Cash and Carry

☐ We take this opportunity to inform our many customers and friends that we have decided to change our method of business to the "Cash and Carry System." Therefore, beginning THURSDAY MORNING, DECEMBER 1st, we will have all of our goods marked to sell at prices in keeping with this system and nothing will be charged or delivered in the future. ☐ We are making this change in response to numerous requests, by our best customers, who appreciate an opportunity to buy good groceries at the lowest prices possible. ☐ Experience has taught that the expense of maintaining a credit and delivery system, with many accounts not paid when due, trucks and delivery boys to keep up and pay, makes an overhead, which added to the cost, makes the selling of groceries cheap an impossibility. ☐ Thanking you for all past favors and bespeaking your continued patronage, we are, Yours for cheaper groceries.

"The Home Of Good Things To Eat"

MAJOR STEDMAN IS IN THE CITY FOR A VISIT

He Hopes to Get Congress to Appropriate Money For Battle-ground Road.

MR. KITCHIN IS IMPROVING

Major Chas. M. Stedman, veteran member of the house of representatives, United States Congress, from this, the fifth district, is spending a few days in the city. He spent much of the time yesterday chatting with friends and admirers. He will return to Washington next Saturday.

The major is looking fit and declares that he never enjoyed better health. "It is," said he, "a great pleasure, a real joy, to return home and greet my many friends."

Major Stedman, when asked about the chances of getting Congress to appropriate money for the purpose of converting the highway from Greensboro to the Guilford Battleground into a national boulevard, stated that he hopes to get a bill through sometime next spring. He doesn't believe now is the time to put the proposition up to Congress.

He speaks very favorably of the proposition of the government making the present highway a national boulevard. It was through Major Stedman's request that Congress appropriated money which will be used to beautify the

historic battlefield and now he is especially anxious to see the famous spot connected up with Greensboro through a suitable boulevard.

Major Stedman, one of the most popular members of Congress, isn't absolutely sure that he can put the proposition across, yet he feels that once the congressmen see the need and benefit of such a boulevard they will vote sufficient funds to carry on the work.

Major Stedman declared that Claude Kitchin, Democratic leader in the house of representatives, is fast regaining his health. He was in Washington several weeks ago and after spending several days there left for his home in Scotland Neck. Mr. Kitchin told Major Stedman the dizziness which had been bothering him for months is gradually disappearing. Moreover, the physician who performed the operation on Mr. Kitchin some time ago in Albany, N. Y., is confident the Democratic leader will ultimately recover.

Asked about the armament conference, Major Stedman stated that he feels certain the conference will greatly accentuate the desire for peace which is so prevalent throughout the nations of the earth. There are all sorts of opinions and one man's opinion is as good probably as another's.

Cairo To Bagdad By Air.
(Continued from Associated Press.)
London, Nov. 1.—The airplane mail route from Cairo to Bagdad, which has been in operation since June for the carrying of government correspondence only, now has been thrown open to the public. It is 440 miles long with stations at Ramleh and Amman, in Palestine. Thence it proceeds straight across the Arabian desert to Hamad on the Euphrates and to Bagdad.

CURRIE PEOPLE WANT FEDERATED ROAD BUILT

Three-Mile Branch of Wilmington-Fayetteville Highway to Moore's Creek.

BRINSON IS GETTING WELL

Daily News Bureau and Telegraph Office, 221 Albee Building (By Local Wire)
By THEODORE TILLEN.
Washington, Nov. 28.—Representative Samuel M. Brinson, who was operated on at Johns Hopkins hospital, Baltimore, several days ago, is getting along nicely, it was stated at his office here today, and the hope was expressed that he would soon be able to

be back in Washington in a greatly improved condition. The jaundice from which he has been suffering for several months, it is said by his physicians, was caused by gall stones, and the operation was to remove the latter, to the end that a permanent cure might be effected.

Representative Brinson's office here is in receipt of a proposition from Tar Heels at Currie, on the line of the Wilmington-Fayetteville highway, that a branch line of the highway be constructed from that point to the National Moore's Creek battlefield, a distance of three and one-half miles, in order that this historic spot may be made accessible to the public. An appropriation of \$100,000 by the federal government is asked for the completion of the project.

J. C. Rudolph, Secretary to Representative Bulwinkle, has resigned his position, and returned to his home at Maiden. He will open a law office at Newton within a short time and practice law in the courts of that and other cities in that section. He will be succeeded as secretary to Mr. Bulwinkle by Charles Humphreys, of Shelby, who will be here with the opening of the next session of Congress.

During the week ending November 28 the war finance corporation approved and announced 19th advances for agricultural and livestock purposes, distributed among 21 states, aggregating \$7,735,000. The corporation also approved advances to exporters during that time to the amount of \$1,380,000, of which \$1,000,000 was for exportation of cotton, and \$380,000 for textile and iron products, making the total amount of advances during that period \$9,115,000. Of this whole amount only approximately \$1,500,000 went to the south. North Carolina got of these advances only \$225,000.

Examination for appointment of a postmaster at Statesburg will be held, ordered, the date of which will hereafter be set and announced.

PAISONS GRANTED TO TAR HEELS

Paissions have been granted to Tar Heels as follows: Salles T. Bristow, Mechanic, \$20; W. G. Foust, Wilmington, \$12; Sarah Atkinson, Walstonburg, \$30; William M. Taylor, Marion, \$15; and John B. Banks, Marion, \$12.

OKAES TO GO ON TRIAL AT 9:30 A. M. TOMORROW

Former Greensboro Policeman Will Face Trial Charged With the Killing of Tommy Robertson.

Judge W. P. Bynum stated yesterday that the trial of D. E. Oakes, former Greensboro policeman, charged by Rockingham county with the killing of Tommy Robertson, will begin Wednesday morning at 9:30 o'clock in Graham Akinance county.

Judge Bynum, attorney for Mr. Oakes, went to Graham yesterday and had a date set for the trial.

It will be recalled that Mr. Oakes, serving as a policeman of Greensboro, was with Policeman McCutchen, May 4, last, when the latter was shot to death from the running board of an automobile loaded with whisky and occupied by Lewis Edwards, Tommy Robertson, and Carl Talley.

The minute Mr. McCutchen was killed the auto sped away with Oakes in pursuit. After a long, thrilling chase, Oakes shot Robertson to death in Rockingham county, just across the Guilford line. Edwards and Talley left Robertson with the car before it entered Rockingham. Edwards was later captured and convicted of murder in the second degree, and sentenced to serve a term of 16 years in the state penitentiary, while Talley, an outlaw, is still at liberty.

Judge Long several months ago removed the case against Mr. Oakes from Rockingham to Akinance county.

VIVIANI IS OPPOSED TO INVITING ANY GERMANS

French Delegate Says Germany Has Nothing to Do With What Conference Is Discussing

Washington, Nov. 28.—(By Associated Press)—M. Viviani, head of the French delegation to the Washington conference, in discussing the possibility that Germany might later be a participant, said tonight that he could "not see what questions on our agenda concern that country."

"I have heard nothing more than rumors about this," he said "and the subject has not been brought to my attention in any way officially. I do not see what questions on our agenda concern Germany. She has no specific interests. Her naval and her land armaments are fixed by the treaty of Versailles. This conference would not consider the revision of that treaty. The question of reparations, if a conference of world powers should desire to take it up, would mean, according to my personal view, that they would be prepared to take upon themselves the responsibility of the reparations which Germany has promised to pay over her signature."

France has been in direct negotiations with Germany on this subject recently. M. Loucheur, of the French ministry, has been in prolonged negotiation with Herr Rathenau, representative of the German government. The agreement reached for payments in kind has been referred to the allied reparations commission for approval. That is the present situation of the reparations question.

CITY BORROWS \$400,000 FROM NEW YORK HOUSE

Closes a Deal With A. B. Leach and Company For One Year At Six Per Cent—More Needed Now.

The city council of Greensboro last night negotiated a loan of \$400,000 for one year from A. B. Leach and company, of New York, at 6 per cent interest. Of the loan \$200,000 will be obtained in cash immediately and the remainder for payments in kind as needed. For the part not drawn out the city will receive 4 per cent on the average daily deposits. No other strings are attached to the loan.

The city council is regarded by the council as unusually sagacious in that it had in mind originally to sell bonds to the extent of \$1,275,000, made up as follows: school bonds, \$500,000; school bonds in local banks, \$200,000; water works extension bonds, \$200,000; street improvement bonds, \$200,000; sewerage extension bonds, \$75,000. But the uncertainty of obtaining a satisfactory market for the bonds at the present time added to the satisfactory deal offered by A. B. Leach and company induced it to make the \$400,000 loan now with the hope of selling the bonds at a future date. Furthermore, the council thinks that \$400,000 is all that is needed now and it does not want to assume heavier obligations when there is no immediate use for the money.

Of the loan \$200,000 will be used to pay off notes to Greensboro banks on indebtedness incurred by the school department. The remaining \$200,000 will be used to start the planned water works extension and street improvements.

REV. KENNETH PFOHL IS PREACHING AT MORAVIAN

Service Each Night This Week Beginning 7:30 o'Clock—Special Music Each Night.

Rev. Kenneth Pfohl, D. D., of Winston-Salem, is conducting a series of services at the Moravian church here this week. There will be preaching each night beginning at 7:30 o'clock.

Last night Dr. Pfohl spoke on the great question, "Where art thou?" Genesis 2:9. The speaker stated that this is the big question and is asked every day. It runs all through the Bible. And every man should stop and ask himself the question.

Simple Way To Take Off Fat

There can be nothing simpler than taking a convenient little tablet four times each day until your weight is reduced to normal. That's all—just purchase a case of Marmola Prescription Tablets from your druggist for one dollar, at the same price the world over. Follow directions—no starvation dieting or tiresome exercising. Eat substantial food—be as lazy as you like and keep on getting slimmer. And the best part of Marmola Tablets is they are harmless. That is your absolute safeguard. Purchase them from your druggist, or send direct to Marmola Co., 4612 Woodward Ave., Detroit, Mich.

preachers of his denomination. It is expected that Greensboro people will take hold of the opportunity of hearing him.

In connection with the services there will be a special music program rendered each night. Tonight Dr. Pfohl, an exceptionally good singer, will render a song service.

Mr. and Mrs. Lambie in City.
Mr. and Mrs. Charles J. Lambie have returned from their bridal trip to Asheville and are at home, 220 South Eugene street.

BLOCK'S
ARISTOCRATIC
CANDIES
ATLANTA
