**BOYS HAVE MOOT COURT.**

Held By Johnson Literary Society At Trinity School.  
(Special to Daily News.)  
Trinity, Nov. 23.—Opening of the present school year a number of boys from the Progressive Literary society, realizing that the society was too large for the most efficient work, decided to found another society. They met October 20, and organized the Johnson Literary society, naming it in memory of a former principal, the late Prof. D. C. Johnson, whose assembly at Trinity they wished to honor in some fitting memorial. The society has been supported with the utmost enthusiasm since its organization and is doing excellent work. The present officers are: Bingham Downs, president; Bynum Robertson, vice president; Herman Bouldin, secretary and treasurer; John Andrews, critic; Bruce Coltrane, chaplain.

A very enjoyable moot court program was presented by the boys of the Johnson literary society Tuesday night. A good audience was present and was well pleased with the program. The proceeds were donated to the athletic association.

Supr. T. P. Bulla visited the Trinity school Friday and conferred with the local school board in regard to improvements on the school building.

A number of teachers from Trinity attended the teachers' assembly at Raleigh and the Carolina-Virginia football game at Chapel Hill.
