Winston-Salem, Dec. 15.—Mr. and Mrs. H. B. Vuncannon, who were married a year ago, have instituted two suits for \$20,000 each against R. C. Jennings and Amos Hege, United States revenue officers. In the complaint the plaintiffs allege that while they were returning home from a visit to the western part of the county on the night of November 16 in their automobile, they were held up by the two officers named; that the car ran into the trunk of a tree, placed in the road by the two officers; that as a result of the excitement produced by the alleged acts, Mrs. Vuncannon was under the care of a physician for three weeks, during which time she suffered much pain and anguish.  
Plain Clothes Officer R. W. Bryan,

who returned from Knoxville, Tenn., this afternoon without J. E. Peake, charged with the murder of H. B. Ashburn here on the night of December 7, expressed confidence that the prisoner will be returned here for trial at an early date. The motion for a new hearing on the writ of habeas corpus was granted today and the time set for December 24 in Knoxville. Peake's attorneys state that if a new trial is denied, they will carry the matter to the supreme court of Tennessee, which is now in session at Nashville. Officer Bryan also reports that while Peake denies the charge against him, the policeman gathered important evidence for the prosecution during his stay in Knoxville. Attorney Joel Anderson, of Knoxville, has been retained for this state and will look after all matters pertaining to the removal of the prisoner to North Carolina.

Man Who Ran Into Car E. B. Jeffers Several Days Ago Tried Yesterday.

### ASSAULT CASE CONTINUED

Sam Carroll, the man who was driving the car which several days ago ran into E. B. Jeffers' automobile, resulting in Mr. Jeffers being painfully injured, was yesterday fined a total of \$600 by Judge D. H. Collins. Carroll was convicted of having whisky for sale, reckless driving and of an assault with a deadly weapon. A fine of \$500 was imposed for having whisky for sale, he was fined \$50 for reckless driving and a like sum for an assault. Judge Collins, in pronouncing sentence, declared that Carroll should be sent to the county roads but a certificate had been filed by a physician to the effect that Carroll is suffering from tuberculosis and that it is impossible for him to work. The case against Alfred Carroll, young son of Sam Carroll, who was

with his father at the time of the accident and who was accused of having whisky for sale, was not pressed, the father taking full responsibility for his son being in the car at the time.

The case of Policeman R. L. Tucker, who is charged with an assault with a deadly weapon, was continued until today. Sam Walker, an employee of a local theater, who obtained the warrant against Tucker, states that the officer attempted to gain entrance to the stage Thursday night and when Walker interfered the policeman pulled a gun and threatened to shoot.
