How Much Have Squandered

Look Back a Year! Figure how much money you've earned. Subtract from that your actual expenses, your board or rent and table expenses, your bills for clothing, laundry, etc. What's the remainder? Quite a tidy sum, eh? And where is it? Gone! Frittered away! Spent, a dime or a quarter at a time! Where are you going to land if you don't begin to save sometime? And isn't the best time NOW? This bank pays four per cent interest on Savings Accounts.
