New York, Nov. 5.—At 2 a. m.. Eastern standard time the trend of the returns in the elections for the United States senate and the house of representatives was in favor of the Democrats. With returns for more than half of the house complete, the Republicans had not unseated a Democratic representative and Democratic candidates had defeated more than 25 Republicans. To gain control of the house, however, the Democrats must gain nearly 80 seats.

The senate returns at that hour showed definitely one Democratic gain by the defeat of Senator Calder in New York. That, however, was offset by a Republican gain of one in Nebraska where R. B. Howell had defeated Senator Hitchcock. At 2 o'clock the congressional re-turns were complete from only 11

atates.
At 11 o'clock, eastern standard time, less than half of the returns for United States senators and representatives in Congress were in and less than a half dosen turnovers in the present line-up had been recorded.

In the sonate contests, the New York Republican state committee had conceded the defeat of Senator Califer by Dr. Royal S. Copeland, New York city's Democratic health commissioner. In Connecticut, Senator McLean, Rapublican, was leading Thomas J. Spellacy, his Democratic opponent. In Delaware, Senator Dupont, Republican, was leading for the short term and the long term to foliow. In Indiana former Governor Raiston, Democrat, with only a part of the state resported, was leading former Senator Albert J. the only Socialist, had been defeated.

In Iowa, Smith W. Brookheart, Republican, running to fill the unexpired term of former Senator Kenyon, was leading on the face of the returns.

ode Island Senator Gerry, the mocratic incumbent, was ahead. In nnessee, too, the Democratic in-nbent, Senator McKellar, was running ahead of his opponent, and in Texas, where a Democratic nomination is equivalent to an election, Earle H. Mayfield was leading. In Barie B. Maylieid was leading in Utah, Ernest Bamberger, Republican, was, on the face of the early returns, running ahead of Senator King, Democrat. Mr. Morrison Sat Up With the Returns Last Night and Sent Burke a Hugging Message On Its Democratic Showing.

Incomplete election returns reselved by the Daily News last night and early this morning from the battle of ballots in North Carolina yeshave won a sweeping victory. All of the ten congressional districts have gone strongly Democratic while in this, the fifth district, Maj Charles M. Stedman, the only Confederate soldier now in Congress, has defeated Mrs. Lindsay Patterson of Winston-Salem, the lone woman candidate for Congress, by a tremendous majority. Major Stedman has carried Guilford by an estimated 1,800 to 2,000 majority, Rockingham, normally Republican, by about 2,000 mafority and Forsyth by around 2,600, Durham county has given the major between 1,800 and 2,000 majority.
