Henry Reeves, a Tech substitute, in the fourth quarter drop-kicked a field goal from the 40-yard line, the ball sailing between the posts at right angles.

Barron scored both touchdowns for Tech after he had gone around the ends for long runs. Tech used its second string team throughout the second half of the game.

TWIN CITY ELEVEN BOWS TO CHARLOTTE

Winston-Salem, Nov. 18.—The Charlotte high school football team added another victory in its march toward the state championship here today by defeating the Winston-Salem aggregation, 12 to 6, in a savagely contested game. The first half ended with the score standing at zero for both teams but in the third period the Blue and White came into its own and scored 12 points. Auburns at the left end made the first touchdown by intercepting a forward pass and racing 65 yards to the goal line. Herially leaving the whole field behind him, Charlotte failed to kick goal.

The second touchdown came a few minutes later when left half skirted right and on the most beautiful play of the game for 25 yards and the goal. This time the Blue and White succeeded in its try for point after touchdown. In the fourth period the Black and Gold warriors rallied and scored six points on the Charlotte aggregation by a series of straight line plays on their own 20-yard line. After this tally Winston-Salem again began a steady march down the field, but the Charlotte Wildcats head the Black and Gold for downs. The game ended with Charlotte in possession of the ball in their own territory.

CENTRE COLONELS BOW TO AUBURN PLAINSMEN IN A GREAT ENCOUNTER

15,000 Watch Hard Fought Contest That Goes to Alabama 6 to 0.

THE LOCK-STEP FAILS

Birmingham, Ala., Nov. 18.—In a game marked by clean playing only one penalty of five yards being assessed against Centre, the football team of Alabama Polytechnic Institute, of Auburn, Ala., defeated Centre college, of Danville, Ky., here this afternoon 6 to 0. The only scoring came in the third period when Captain Roberts, of Centre, failed to get a punt away from his own goal line, the kick being blocked by several Auburn players. Outrigger, for the Alabamians, fell on the ball behind the goal. On a try for placement after the touchdown, Moulton failed to kick goal.

Approximately 15,000 fans crowded Rickwood field for the game, which was played under threatening skies. Centre's famed lock step attack failed to develop gains against the Auburn team and in the final period, after failing to resort to short forward passes for several main gains, Auburn braced and smothered Centre players, to recapture the ball when within dangerous position under her own goal line.

Shirley's kicking for Auburn was a bright spot of the game. He easily outdistanced Centre's boots, and his playing was almost unscathed.

Quarterback Covington was the offensive star for Centre, ripping off several good gains, one for 50 yards coming soon after the game began.

THE LOCK-STEP FAILS

High Point scored in the third quarter. A sustained attack featured by a 15-yard run by Redding, carried the ball to the one-foot line where Trinity held the following play, however, Davis and W. OLD DOMINION ELEVEN FALLS BEFORE ATTACK OF THE MOUNTAINERS

West Virginians Force Battle In Second Half and Put Over Two Touchdowns.

VIRGINIA HAS NO PEP

Morgantown, W. Va., Nov. 18.—The old dominion conquered the old dominion here this afternoon when the unbeaten West Virginia university football team defeated the University of Virginia 13 to 0 on a water-logged field that made anything but straight football impossible.

After failing to show enough consistency of attack to score in the first half, the Mountaineers steadily forced the Virginians back to their own goal line in a punting duel in the third period.

Finally Captain Meredith blocked a Virginia punt on his 25-yard line, and Philbin recovered. Three attempts at the line netted only eight yards, and then Ekberg passed to Nardacel, who ran to the four-yard line. He made two plunges at the line for the first touchdown, Nardacel, a placement goal for the extra point.

Receiving the kick-off after this score, West Virginia went down the field from its 15-yard line for another touchdown, using only straight football in the advance. A beautiful offensive run by Simon for 21 yards that took the ball to the Virginia four-yard line was the feature in this advance, and Ekberg sent the final distance for the score. He failed to kick goal.

Virginia failed to show anything in the way of a concerted attack, the southerners making only one first down in the contest.

The line-up:

W. Va.	Position	Ya.

FRIENDS AND FOES OF SHIP MEASURE READY

Democrats Believe They Will Be Joined by Many Republicans in Opposing Measure.

Washington, Nov. 18.—Friends and foes of the administration ship subsidy bill went to work today in actual preparation for the fight over the measure which will begin next Thursday in the house.

While there were indications of a deluge of amendments, opponents said they would not agree on a definite policy of attack until they had opportunity for informal conferences. Meanwhile, Republican members of the merchant marine committee, which framed the bill, announced they would go ahead with the fight, believing enough votes were assured to put it through without important changes.

Democratic leaders, counting on almost solid party opposition to the measure, declared they would be joined in their attack by many Republicans, particularly from the middle west. Most interest, aside from claims and counter claims as to the final fate of the bill, centered in amendments which might get through under a broad rule opening it up to change the house might see fit to make.

Some Republican leaders express a belief that a proposal to revive the excess profits tax as the means for providing a subsidy for ships would not stand up. They insisted it would be thrown out on a point of order or not germane. Regardless of this view, members eager to get the old law re-enacted declared the question would be put to a test.

GEN. HARBORD RESIGNS FROM MILITARY FORCES

He Will Become Head of Radio Corporation of America. Hines Succeeds Him.

Washington, Nov. 18.—Retirement from the army of Major General James G. Harbord, deputy chief of staff, and one of the outstanding American military leaders in the world war, to accept the presidency of the Radio Corporation of America, was announced today by Secretary Weeks in his formal announcement in Washington by Major General John L. Hines, now commanding the eighth corps area.

General Harbord's retirement becomes effective December 29 and he will take up his new duties January 1. He had been selected to succeed General Pershing as chief of staff of the latter's retirement and Secretary Weeks said in his formal announcement that the loss to the active forces of the army through General Harbord's separation from the services "cannot be adequately expressed."

"We have not had in our military service, or in our government service, in any capacity, a man of higher qualities or one who has inspired in others a greater degree of confidence," said the war secretary. "The business he will enter is in its infancy and it will enter full scope for his abilities. That he will prove himself a great leader in industry and commercial affairs seems as certain to me as his great leadership in military activities. I have an acute sense of personal loss in his going. His ability and loyalty have been of vital importance to me in administering the affairs of the war department."

In his letter to Secretary Weeks applying for retirement General Harbord pointed out that he had been on active service for 23 years, "having enlisted on January 10, 1899, when continuous service since enlistment, over 16 years of such service being abroad."

PITTSBURGH OUTPLAYS W. AND J., SCORE 19-0

Pittsburgh, Nov. 18.—Washington and Jefferon's wonder eleven met its Waterloo today. Out-generated, out-played and out-kicked by the University of Pittsburgh Panthers, Coach Neale's warriors—undefeated for nearly three seasons—lost a 19 to 0 struggle on a muddy aridiron to an eleven that had twice been conquered this fall.

A brittle line and slow thinking by the W. and J. secondary defense had much to do with the unexpected result. The visitors, held two to one favorites, were swept off their feet in the first few minutes of play, and with the exception of a spectacular forward pass rally late in the second period, the Presidents usually were fighting within the shadow of their goal line.

The first half was rough, but it was gentle play compared with the desperate tearing, straining football that marked the closing quarters. Fists flew often, pairs disputed penalties, and the officials were kept busy preventing personal clashes. Experts, who have been watching Pittsburgh games in Pittsburgh for 20 years could not recall a more vivid battle.

The line-up:

Pittsburgh	Position	W. and J.
Sumner	Kopf
Simpson	Clark
Clark	Perkins
Bowser	Cronk
Sack	Vince
Forley	Weldergut
Williams	Spillers
Winters	Brinkert
Flanagan	Ericason
Anderson	West
Hewitt	Basista

Score by periods: Pittsburgh, 0 13 6 0—19; W. and J., 0 0 0 0—0.

Pittsburgh scoring: Touchdowns, Anderson, Hewitt, Jordan (substitute for Sauer); Point after touchdown, Williams.

MOUNT AIRY NEWS.

Small Blaze Does Damage at the Home of Andrew Jackson.

Mount Airy, Nov. 18.—A blaze at the home of Mr. and Mrs. Andrew Jackson about 2:30 o'clock last night called out the local fire company. A fire in the kitchen had been called away the evening before and left the electric iron connected up on the back porch. A crash, when the table on which the iron was sitting burned in two weakened sides of the family and the alarm was quickly given. The damage is conservatively estimated at between \$100 and \$200. A tub full of household linen and clothing sprinkled and packed down by the porch lattice and screen, portion of the floor and other woodwork.

The fire department of the Woman's club met in the Blue Ridge hotel parlor Friday afternoon. Plans were presented for the Tubercular Christmas seals campaign to begin Thanksgiving day. The question of securing a traveling library was discussed and a committee appointed to secure suitable quarters as well as to work out a plan to finance the proposition.
