Mrs. Robert T. Colt Honored.
The beautiful colonial home of Mrs. T. D. Sherwood on West Gaston street was the scene yesterday afternoon of a delightful tea given in compliment to Mrs. Robert Colt, of Korea, when the members of the Woman's auxiliary of the First Presbyterian church were the recipients of the delightful hospitality of their president, Mrs. Sherwood.

The spirit of hospitality was immediately felt upon arrival, the screen door being held open by the quaint little bronze god of hospitality. Mrs. W. E. Allen and Mrs. C. L. VanNoppen greeted the guests at the front door, and Mrs. J. L. Brockmann presented them to the receiving line which was formed in the living room, and was composed of Mrs. T. D. Sherwood and her guest of honor, Mrs. Colt, Miss Laura Colt, Mrs. Charles F. Myers and Mrs. W. C. Smith. Mrs. Sherwood and Mrs. Colt wore lovely coronas of pink roses. Mrs. Frank Sharpe and Miss Marion Stokes directed the guests into the hall, where Mrs. Frank Leak and Mrs. Penn Scott presided over the guest and hospitality book, which bore Mrs. Colt's name and the date in gold letters, and which Mrs. Sherwood afterward presented to her as a souvenir of the afternoon.

Receiving at the dining room door were Mrs. R. C. Bernau and Miss Johanna Colt, while Mrs. J. Sterling Jones and Mrs. Eric Andrews poured coffee. Mousse, block cake, mince nuts and coffee were served by Mesdames H. E. Cartland, T. G. Frazier, Frank Hood, Parke Stratford, Misses Mattie Williams, Josephine Evans and Hayward Middleton.

Throughout the decorations and refreshments a color note of pink and green was beautifully carried out, pompano chrysanthemums in pink and pink roses, combined with the deep green of ivy leaves and ferns, creating a beautiful setting.

The dining room was especially lovely. The table was covered with a handsome cluny lace cover, over pink and green centerpieces. A graceful arrangement of pink roses in a silver basket. Pink candles in silver candlesticks lighted the table with a soft glow, while the chandelier above was decorated in pink tulle and green leaves. Several hundred ladies called to meet Mrs. Colt, who is here with Mr. Colt and their children spending several months of their year's furlough from Sunchon, Korea, where they are stationed. It was a joy to the women of the auxiliary of the First church to have this opportunity to meet with Mrs. Colt, inasmuch as she belongs to them doubly, as account of her being a sister-in-law of Miss Laura Colt, who was for so many years president of the auxiliary, and for the added reason that the First church has the privilege of claiming Mr. and Mrs. Colt, as their very own missionaries.

Baptist Missionary Meeting.
At the business meeting of the missionary society of the First Baptist church yesterday afternoon, delightful plans were made for furnishing a room in the new Baptist hospital in Winston-Salem, to be called the Greensboro room.

It was decided to have the regular social hour at the home of Mrs. M. D. Gillespie, a well-known beauty specialist of Kansas City, recently gave out the following statement regarding gray hair:

"Anyone can prepare a simple mixture at home that will darken gray hair, and make it soft and glossy. To a half-pint of water add 1 ounce of bay rum, a small box of Barbo Compound and 4 ounces of glycerine. These ingredients can be purchased at any drug store at very little cost. Apply to the hair twice a week until the desired shade is obtained. This will make a gray-haired person look twenty years younger. It does not color the scalp, is not sticky or greasy and will not rub off."

Three generations of splendidly developed children

FOR sixty-four years mothers have been feeding their babies on Borden's Eagle Brand Milk. It has proved to be a fine body building food for children who were normally healthy. And doctors recommend it for those who are undernourished and losing weight. No mother ought to experiment with her baby. There are no doubts about the purity of Eagle Brand or the results thousands of other mothers have obtained from it. For it is only pure country milk combined with sugar—the natural food of mother's milk fails.

missionary meeting for December on Friday, December 15, instead of Monday, December 18, in order that Miss Pearl Johnson, a returned missionary from China and Mrs. George Green, a returned missionary from Africa, might meet with them. The association of which the First Baptist church is a member had the privilege of helping Miss Johnson during the years when she was preparing for the foreign field, and after seven years in her chosen work, this is her first furlough; so the ladies will be especially glad to have her as their visitor.

An interesting report was read from a young girl in the Baptist training school at Fort Worth, Texas, to whom the society is lending a helping hand.

Following the business session, which was presided over by Mrs. J. C. Turner, the vice-president, a most delightful talk on "Posters and their value" was given by Mrs. C. A. Williams, the state leader of missionaries, who works among the Baptist girls of the North Carolina college. She had a wonderful array of posters for the demonstration of her ideas, and made a deep impression upon her hearers as to the advantages to be derived from the intelligent use of posters.

Music Clubs Meet.
The Katherine Rankin Music club, No. 1, had a delightful meeting Friday evening with Mrs. W. S. Hite, at her home on Gorrell street. Following the business meeting an interesting musical program was rendered by Mesdames Helen Bumpass, Mary Chancy, Creola Hall, Margaret Medsall, Leticia Mitchell, La Verne Ware, Naomi Whitfield, Virginia Younts, and Mrs. Hite. At the close of the program musical contributions were read and Misses Evelyn Martin and Ruth Whitfield were awarded the prizes.

The hostess, assisted by Miss Evelyn Hite, served delicious fruit jello with whipped cream, cakes and candy.

The Katherine Rankin club, No. 2, met on Saturday afternoon with Miss Evelyn Hite as hostess. A short business session was held, after which several musical numbers were given by Misses Elizabeth Ayers, Juanita Dillon, Annie Louise Flynn, Evelyn Hite, Evelyn Glascock, Frank Ramsey, and Mrs. Hite.

Musical games were played, the prize winners being Misses Evelyn Hite, Evelyn Glascock and Elizabeth Ayers.

At the social hour delicious refreshments were served.

Open House at The Glenwood Home.
Following a custom in vogue several years, an open house will be observed Wednesday before Thanksgiving at the home for tuberculous patients conducted by the District Nurse and Relief committee in Glenwood. Members of the committee will act as hostesses from 2 o'clock until late in the afternoon, and they hope that all friends of the home will call. It has been customary for the friends of the home to make this day a special time for gifts, and the committee hopes that the practice will be observed again. A member of the committee yesterday said:

"Anyone can prepare a simple mixture at home that will darken gray hair, and make it soft and glossy. WILSON'S BIOGRAPHER TO TALK AT COLLEGE

William E. Dodd, of University of Chicago, to Talk on Cleveland, Tilden, Wilson.

"The Drift of Recent American History" will be the general subject of a public lecture which Prof. William E. Dodd, of the University of Chicago, will deliver before the student body of the North Carolina college on Friday and Saturday, December 1 and 2.

The Drift of Recent American History will center around three outstanding personalities of the Democratic party since the Civil war—Tilden, Cleveland, and Wilson. His opening lecture will deal with Tilden, and the closing one Saturday evening with Wilson.

Professor Dodd has said that he believes North Carolinians are more interested in politics than the people of almost any other state, and he wishes to acquaint the girls of the college with the large political movements of recent years. As the official biographer of Woodrow Wilson, he gives probably the best interpretation of Wilson's work and place in history to be had. Dr. Dodd has long been a public lecturer with the University of Chicago, where he is professor of American history. He has written several books on American history, particularly the history of the United States.

Senator Owen expressed sorrow that Clemenceau, Lloyd George and others of the peace table had "crumpled" from former President Wilson and caused resentment in this country with sentiment resulting in rejection of the Versailles treaty.

The French leadership is slowly inclining from the French government the sympathy of the world," he declared. "In spite of the fact that the American people have felt a great and sentimental friendship for the people of France."

Senator Owen said M. Clemenceau's visit might "open the door" to a better understanding between European nations and the United States and he suggested inviting French, British and Italian leaders to this country for a conference.

Declaring that M. Clemenceau "exerted much" from Woodrow Wilson in the making of the Versailles treaty, Senator Owen said America would not support "a policy of greed, brute force and injustice between nations" and that America could not co-operate with France in the present state of affairs.

Makes a Family Supply of Cough Remedy

Really better than ready-made cough syrups, and saves about 80%.

If you combined the curative properties of every known "ready-made" cough remedy, you probably could not get as much real curative power as there is in this simple home-made cough syrup, which is easily prepared in a few minutes.

Get from any druggist 2 1/2 ounces of Pinex, pour it into a pint bottle and fill the bottle with syrup, using either plain granulated sugar syrup, clarified molasses, honey, or corn syrup, as desired. The result is a full pint of really better cough syrup than you could buy ready-made for three times the money. Tastes pleasant and never spoils.

This Pinex and Syrup preparation gets right at the cause of a cough and gives almost immediate relief. It cures the phlegm, stops the nasty throat tickle and heals the sore, irritated membranes so gently and easily that it is really astonishing.

A day's use will usually overcome the ordinary cough and for bronchitis, croup, hoarseness and bronchial asthma, there is nothing better.

Pinex is most valuable concentrated compound of genuine Norway pine extract, and has been used for generations to break severe coughs.

To avoid disappointment, ask your druggist for 2 1/2 ounces of Pinex with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction, or money refunded. The Pinex Co., Ft. Wayne, Ind.

Florida Lady Was in a Miserable Condition, But Says: She Found Cardui Helpful, and Got Well.

Altha, Fla.—In explaining how she found Cardui so helpful during change of life, Mrs. Ella M. Bailey, of R. F. D. 2, this place, said:

"I became so weakened it was an effort for me to get around. I knew what was the matter, but I felt like I couldn't give up."

"I just dragged, and I certainly was nervous. I was so restless I could not sit down long—yet so weak I couldn't get about. It is a most miserable and such a helpless feeling."

"I would get depressed and out of heart."

"I began to feel, after awhile, there was no use to try to get well. This is all wrong, for it makes a person worse."

"I had heard of Cardui and thought it might strengthen me. A neighbor had used it with good results."

"I took one bottle (of Cardui), then I saw I wasn't so nervous, so kept it up."

"Gradually the nervousness left me. I began to eat and sleep better. I was soon well, and all right."

"Cardui did wonders for me, and I certainly do recommend it." Thousands of other women have written, to tell of the beneficial results obtained by taking Cardui, and to recommend it to others.

Cardui has stood the test of extensive use, for more than 40 years, in the treatment of troubles common to women.

Good druggists, everywhere, sell Cardui, the woman's tonic. Try it—adv.
