Heet Gibson at Imperial.

Hoot Gibson in "Lone Hand," one of those red-blooded pictures that have made Gibson so popular, it's what we would term one of his very best pictures, a good supporting cast and one of the prettlest girls on the acreen. The added attractions in-clude a Lloyd comedy, "The Rajah," by way of the greatest rescue scene that has ever been thrown on the screen. The laby of the horouse has been carried away on a runaway log side. Familied woives are one

Roads Add Substantially to Equipment This Season

Nortolk, Va., Nov. 50.—The North Carolina Cetton Growers' Co-operative Marketing association has decided to place part of its cotton holdings in warehouses here. The association, which usually markets its cotton independently of the established trade, already has started shipment of between 4,000 and 5,000 bales here for storage. The season's total is expected to be nearly 15,000 bales.

Washington, Nov. 30.—Railroads during the present year have added much more substantially to their equipment for transportation service than they were able to do in 1921, according to a report made public today by the car service division of the American railway association. 41p to November 1 they put in service or had in process of manufacture 117,238 new freight cars, which was 47,802 more than were procured during the entire year of 1921.
