

MEASURES TO AID THE FARMERS ADVOCATED

Farm Credit Legislation In Congress Receives Help From Both Parties.

SENATE STUDIES PLAN

Washington, Dec. 11.—Farm credit legislation received in Congress today an impetus which both Republican and Democratic leaders said insured legislation in behalf of agriculturists during the present session.

farm bloc met and made plans to press the credit extension legislation. Bi-partisan support for major features of administration recommendations to expand credit of farmers was indicated. Blue endorsement, meaning that of Democratic, as well as Republican members, for important features of the Leuroot-Anderson bill, which had the approval of administration officials, was said to be promised.

The senate banking and agricultural committee will proceed tomorrow with "double-header" hearings on farm credit affairs. The banking committee is to begin hearings on the Leuroot-Anderson and other credit bills and the agricultural committee is to proceed with hearings on other credit phases. The agriculture committee today heard Senator-elect Fra-

DR. ARCH CHEATHAM IS DEAD AT DURHAM HOME

Deceased Was One of the Best Known Physicians in North Carolina.

FUNERAL THIS MORNING

(Special to Daily News.) Durham, Dec. 11.—Dr. Arch Cheatham, consulting physician for the Durham health board and for many years superintendent of health, died Sunday night at 9 o'clock at his home, Cleveland street, after a long illness. During his entire illness, however, he was confined to his bed for only a short time. He took his bed for the last time only a short time ago, having suffered a stroke of paralysis of which he had several. Death was caused by a complication of diseases.

Dr. Cheatham was one of the city's oldest and most prominent citizens. After receiving his medical training at the University of Maryland in 1888, he returned to Greensboro, the place of his birth, where he engaged in the practice of his profession with his father until 1895, when he came to Durham. Since that time he had been one of the city's most energetic and progressive citizens. He practiced medicine here until 1913, when he was selected superintendent of health for the city and county of Durham. He held this position until May, 1922, when he was forced to give it up because of declining health. So pleased were the city and county officials with his work that after he was forced to give up his duties as superintendent, he was retained as consulting physician for the board.

He was twice married. Miss Ida J. Shaw, of Greensboro, was his first wife. This marriage took place January 24, 1893. From this union four children survive. In November, 1906, he was married to Miss Ethel A. Gibbs, of Columbia, S. C., from which union two children, besides the wife survive. Two sisters and one brother also survive.

He was a member of Trinity Methodist church and the Phi Beta Kappa fraternity. He was also an active member of the Trinity college alumni association, as well as the Kiwanis club and the Durham chamber of commerce until his health forced him from active life.

Funeral services will be conducted Tuesday morning at 11 o'clock. School children of Granville county to the extent of several hundred are taking an interest in the establishment of the state highway from Oxford to Durham. A petition signed by them has been received in Durham in which they indicate Route "C," the route by the way of Creedmoor, Northside, Hester and other places to Durham. A petition containing the names of about 2,000 people was recently presented to Commissioner John Sprunt Hill indorsing the Creedmoor route in preference to that by the way of Stem and Providence to Durham.

Mr. and Mrs. Albert Y. Gowen At Home After Long Voyage New York, Dec. 11.—Two great storms at sea safely weathered and an unpleasant twenty-four hours on a South sea reef formed part of the honeymoon experiences of Mr. and Mrs. Albert Y. Gowen, of Chicago, whose motor yacht Speejaek chugged into New York harbor today to complete a 40,000-mile voyage.

The hurricanes were met off New Caledonia and in the Indian ocean. It was on a coral reef off one of the Solomon Islands that the honeymooners spent an anxious time when their 95-foot craft piled ashore during a storm. Their vessel finally was worked off the reef, after which several of the crew deserted and Talmans replaced them.

The trip started sixteen months ago. Glenn Ledbetter Is Living With Bullet Hole In Brain (Special to Daily News.) Asheville, Dec. 11.—Glenn G. Ledbetter, 16-year-old youth of Arden, is in a critical condition at a local hospital, with a 22-rifle bullet having passed through his brain and lodged behind his skull.

The youth was found by a section hand near Arden and it was at first believed that he had fallen from a freight car, but investigation showed the bullet wound and an X-ray proved the fact conclusively. It is believed that he fell and the rifle discharged, the bullet entering the brain and lodging behind his skull.

666 Cures Malaria, Chills and Fever, Dengue or Bilious Fever.

MARY TO ATTEMPT TRIAL OF MESSAGE OF PEACE

Many Witnesses and Attorneys Are In Raleigh Ready For Hearing Today.

DR. BRUNER TO RESIGN

(Special to Daily News.) Raleigh, Dec. 11.—Witnesses, attorneys and prohibition agents are here in force for the beginning tomorrow of the Message of Peace crew charged with violation of the prohibition laws and with perjury.

The booze ship which got into North Carolina waters when some anti-prohibition agents found it in the Atlantic into one of the sound, is one of the most famous vessels in the country now. All the papers throughout the country are full of reports that it had a cargo of liquor on board when it was caught somewhat off its beat.

District Attorney Irvin B. Tucker will be aided in the prosecution by his own officers, assistants, Willis G. Briggs and James D. Parker, and Judge A. H. Price, of Salisbury, who is attorney for R. A. Kohles, federal prohibition agent, will also assist in the case. It will be the first time that Mr. Price had appeared in the eastern division as attorney helping to prosecute. The case recently has been moved from New Bern and has been impossible to bring the boat along.

The cargo of the ship, without the human element in it, is valued at \$200,000.

Norfolk Southern officials have asked the corporation commission to allow them to take off the passenger train between New Bern and Oriental and to substitute that service with mixed trains.

The commission is advertent to the conditions under which railroading is done here. The Craven canal and Pamlico metropolis, but the body hasn't yet seen its way clear to curtail the service. The strike made necessary some legislation favorable to the Norfolk Southern, but it was not quite so badly off as was the Seaboard which later made peace with the men.

The secretary of state today chartered the Cash Drug company of East La Porte, a business which has authorized capital of \$4,000 with \$4,500 paid in by R. L. Wike, Y. H. Rieley, G. B. Robinson, E. J. Bryson and N. M. Davidson.

The Spencer Hotel company of Charlotte is the name of a new hotel company that has authorized a paid-up capital of \$15,000, of which \$500 is paid in by Mrs. Cora Browlett, of Charlotte; W. C. Cobb, of Ware Shoals, South Carolina, and J. A. Thomas, of Charlotte.

The Pogram Furniture company, of Canton, is a \$50,000 business which is allowed to begin business with \$5,000 paid in by R. W. S. Pogram, George C. Pogram and Wynter M. Wright, of Canton.

The Ideal Dry Goods company, of Winston-Salem, amends its charter to give a capital of \$100,000 from \$50,000 to \$250,000. The Mountain City Clothing company changes its corporate name to J. M. Rhea and company, incorporated in North Carolina, in Kings Mountain.

Registration in the office of M. D. Shipman, federal employment agent for the state, showed for the week ending December 9 in the offices 503 with placements for 479.

The unskilled workers furnished 291 of these and skilled laborers 98. There were 45 clerical and professional, 44 domestic and three under trial. Greensboro led again with the lowest number locally employed, that city having only 32. Winston-Salem was second with 42, Raleigh third with 57, Asheville fourth with 79, Charlotte fifth with 120 and Wilmington highest with 144.

Rev. Dr. Weston Bruner, pastor of the Baptist Tabernacle church, of Raleigh, announced to his congregation last night that he will resign his pastorate effective January 15, 1923, and he is ready to accept any request to leave the field.

Dr. Bruner may go to Mullins, S. C., where he has a call which he has been considering. His pastorate here has extended over a period of five years and he speaks to one of the largest of city congregations. He has been extended evangelistic service and is regarded a finely equipped minister for any kind of service.

Governor Morrison has been kept to his bed the greater portion of Sunday and Monday by illness with symptoms of acute indigestion.

His excellency was unable to see the boys attending the conference here when they called on him at the mansion yesterday, but his young fellows were allowed to go through the mansion and to be a guest at the home for a while. Governor Morrison was slightly better this morning.

GETS \$50 FINE FOR ASSAULT ON FEMALE Rush Caldwell Fined \$100 For Carrying Concealed Weapon and \$25 In Other Case. Oliver Morris, charged with assault on a female, was fined \$50 and the costs yesterday morning in city court by Judge J. H. Colins, while Rush Caldwell, charged with the same offense, was fined \$25 and the costs and Robert Davis had judgment suspended with the payment of the costs. Rush Caldwell's conviction for carrying a concealed weapon, was fined \$100 and the costs, while Catherine Jones, charged with larceny, was sentenced to six months in the county home. Louise Moore, also charged with larceny, was sentenced to six months, but judgment was suspended with the payment of the costs but appeal was filed and the bond was fixed at \$100. For operating an automobile over a fire hose, Kenneth Sherman was tried and had judgment suspended with the payment of the costs, while a similar punishment was inflicted upon Harmon Hubbard for disorderly conduct. E. B. Kellenworth, charged with passing a worthless check, had judgment suspended with the payment of the costs upon the condition that he pay the amount of the check. Dependable. (New York Sun.) Flubb—is Smith's credit good? Dubb—It's gilt-edged. Why, his wife even allows him to skip her alimony check occasionally. Motion pictures of varied activities of municipal departments in Shanghai, China, are used as public records. The pictures are said to create a complete guide to future administrations.

All Day Sale of "Blemished" "Clover Leaf" Auto Tubes HALF PRICE Tubes are made on a mandrel. In taking them off a tube is sometimes scratched and the inspector puts it aside as "blemished." In service these tubes are as good as regular. The tiremeter shows, through an unbreakable, transparent cap just the pressure of air in the tire without taking off the cap and using a gauge. No motorist is going to undertake the troublesome job of taking the pressure frequently with a hand gauge. These tubes save him that trouble. Red and Gray Tubes, Most of Them Equipped With Tiremeter Valves Superior Cord Tires "All That the Name Signifies" All Fresh New Tires No "Seconds" Fully Guaranteed (Adjusted on a 10,000 Mile Basis) Sizes Prices 30x3 1/2 \$10.60 31x4 \$19.70 32x4 \$20.60 33x4 \$21.20 34x4 \$21.80 32x4 1/2 \$24.05 33x4 1/2 \$24.65 34x4 1/2 \$25.25 35x4 1/2 \$26.00 36x5 \$31.45 Heavy Duty Clover Leaf Gray Tube With Tiremeter Valve \$1.25 \$1.35 \$1.60 \$1.85 \$1.95 \$2.03 \$2.15 \$2.28 \$2.33 \$2.50 \$2.58 \$2.78 \$2.98 Every Tube Guaranteed by Us to Give Satisfactory Service—Or a New Tube IN THE BARGAIN BASEMENT
