MENDENHALL FOR A NUMBER OF NEW LAWS

High Point Man Will Urge Senate to Pass Bill For State Chamber Commerce.

(By Ameriated Press.) High Point, Dec. 28 .- A bill to establish workmen's compensation in North Carolina, a measure to incorporate a state chamber of commerce for the purpose of advertising the old North State's advantages, and amendments to the road law so as to license, motor vehicles in accordance with their weight instead of horsepower will be favored by Sentor O. E. Mendenhall, of the 17th district, he announced today.

"I propose to introduce a bill," he said, "Incorporating a state chamber of commerce for the purpose of advertising North Carolina and Inducing the right kind of people to come ablish workmen's compensation in

"I shall seek to amend our road law licensing motor vehicles in accordance with their weight instead of horsepower, as is done under the present law. The reason for this change is obvious. The heavy vehicles wear the roads more rapidly than the lighter cars and should pay proportionately for the upkeep.

"I have other matters under consideration, especially the right kind of workmen's compensation measure, which I shall discuss later." he said.
