On the reverse side of this tidy red tin you will read: "Process Patented July 30th, 1907," which has made three men smoke pipes where one smoked before!

THORP WORKS HARD TO MAKE GOOD THIS YEAR

Marlin Springs, March 15.—The business of baseball has taken on a most serious aspect for James Thorpe. The big Sae and Fox warrior realizes that it is this year or never for him in the big leagues, and he is working with every ounce of energy and strength in his mighty body to win a regular berth with the Giants.

Jim holds forth in the batter's box in Marlin whenever he can get a pitcher to hurl them up for him, and industry is reaping its reward. Jim is slugging the old leather with greater force and accuracy than ever before in his life. He always could murder the fast ones, and now he is meeting the low curves with a vengeance.

In Friday's practice he knocked a curve ball right out of the pasture, driving it over the right-field wall. Probably it is in Houston by this time. Thorpe's fielding has improved on this trip, especially his work on ground balls. Heretofore he could be depended upon to loaf on at a critical moment, but that seems to be a thing of the past now.

"I certainly want to make good this year," said Thorpe yesterday. "I never had any trouble in any game I ever tackled before, and I'm not going to let baseball beat me. I'm going to do something to make the name of Jim Thorpe live in baseball, as it will live on the cinder path and grid-iron, or I'll break every bone in my body trying. They seem to think that I will never be able to bat. Well I'll show them a few things before I retire to my farm."

"I hit pretty well in the International league last year, getting an average of .365 in ninety-six games. I got thirteen doubles, seven triples and two home runs and stole twenty-two bases. The pitchers over there threw nothing but curves at me until I learned how to meet them. Playing what they believed to be a weak point, they were really doing me a favor. I'll do the same thing with the Giants this year; watch and see."

John J. McGraw ceased to play bench manager, and the recruits came in for lengthy individual instruction in the art of "hittin', 'em where they ain't and where they can't get." The Little Napoleon watched each man take his regular turn at the plate and then proceeded to correct his faults.

Elsb and Billy Cole, the young outfielders, were called on to correct their stand at the plate, and while the change bothered them for a while, at the end they were shooting them over the infield on a line. Cole had a tendency to swing too much with his body and not enough with his arms. This caused him to hit too late at the ball.

TWO FORMER STARS OF MAJOR LEAGUES SHOULD ADD STRENGTH TO TOLEDO TEAM

Bresnahan (left) and Stovall.

George Stovall is not going to be idle the coming season. According to Roger Bresnahan, the former Federal league manager will play first base for the Toledo Association team. In fact, Bresnahan has found work for six or seven players who were with the defunct league last season. Stovall and Bresnahan will add a lot of strength to the Toledo team. Both should prove excellent hitters in that company, and, besides, Bresnahan and Stovall are still stars in their respective positions.

The Virginia League Manager That Triumphed Last Season Makes Plans for Faster Ball This Year.

"While I appreciate the fact that every club in the Virginia league is striving to sign a better team and one that will defeat the best club of the league the past year, and that in that way we have five clubs against us, nevertheless, I am confident that Rocky Mount need have no fear that the club I have gotten together will ever lag in the race," said Manager Ray Ryan of the Tar Heels, in announcing the list of the twenty-four ball players that he will have come here on April 1st for the tryout season. The Virginia league pennant winner of last year was smiled upon in the fact that he has quite a large number of the players of last year's team brought forward on the reserve list and though he has sold or had drafted four members of the club he expresses a confidence that he has ably filled their places for the coming season.

As catcher Manager Ryan will continue to occupy the position of dean of this department and has let it be known that he is to do a part of the

three months with Milwaukee and for four years catcher with the Ohio Northwestern University, Dick Talbot, formerly of Ohio State league fame but last season with Trenton, N. J. George Bartinsky, a semi-professional from Whiting, Indiana and has been catching around Chicago. George Mulvaney, a tryout of the past season that did not catch the pace because of a lack of experience will return.

In the pitching department, Manager Ryan has drawn from the past year Messers. Al Leaker, A. W. Applegate and Valley Lane. Among the new string men there will be Clarence Pittsberger, a young high school star from Manager Ryan's home town that is said to be a come. Luther Hoff, a semi-professional from Tennessee. Clyde Smith, a semi-professional from Cleveland, Ohio, is remembered by the same party that sent Tony along to Winchester, Va., some years ago. Milton T. Adams, from South Carolina college star-twinkie while Ray Roberts is the only southpaw of the squad. As a college pitcher of renown from Hillsap College, Jackson, Miss. Clarence Tenig of last year's club is still a hold-out.

For the infield jobs there will return Jimmie Edwards for second, Parmalee for shortstop, and Ed Gossetree for third base. The new infielders signed include J. B. McClanland, a first baseman formerly of the Buckeye league and for a month with Cleveland last year. Talbot Lee is Gardner, N. D., semi-professional and R. D. Shelby is a Rosedale, Miss., semi-professional who has had three years of college experience.

In the outfield Roy Eisel, centerfielder and Cecil (Dulle) Gray, rightfielder, are to covet about the local gardens for another season. For the shoes of little in left there are two aspirants. Lloyd Burns a semi-professional of Tiffin, Ohio, who comes highly recommended and Walter Castella of the Buckeye league the past season.

MRS. MELTON'S LETTER To Tired Worn-Out Mothers

Jackson, Miss.—"I shall feel repaid for writing this letter if I can help any tired, worn-out mother or house-keeper to find health and strength as I have. I did so and now I am well and strong and my old time energy has been restored. Vinol has no superior as a tonic for worn-out, run-down tired mothers or
