British Claim an Advance Over Thuosand Yards In Somme Region

RUSSIA'S MOVES ARE MENACE TO AUSTRIA

French and Brit Are Said To Have Brought Artillery Forces Pre tory to Another Adva on the Western Front.

London, July 7 .- The second he great buttle on the wes rought up to new positions and is attering the German decemen. combardment extends as far north as abassee and Armentiers and, second ng to the latest unofficial advices articularly intense.

British long range guns are shelling he German positions and the roads in helr rear and until the infantry against hem leaves the trenches it will be unertain where the next attacks are to be launched. In addition to losses of the Germans in guns, men, and terriompelled them to withdraw some of heir forces from the Verdun front and

ompelled them to withdraw some of heir forces from the Verdun front and t is expected in London that the army which has withstood the German on laught for the past five months will be given a brief rest.

On the western front the Russians who now apparently have even a better apply of guns and ammunition than heir adversary seems to pass from one shase to another without intermission. The Russian army, which took Buskeyina and cut the railroad from Delayva and Korosenzo is advancing is unefort to completely overcome the Austian forces on that front.

Another Russian force is continuing to deliver heavy strokes against the Russians and Garmans who are cadeavaring to keep them from Kovel.

With these operations in full swing he Russians to the north have inaugusted an offensive from Riga to Barnovinchi. Along the northern end of the ine from Riga to Dvinsk a big beginner from Riga to Dvinsk a big beginner that the sear from Vilna to Barnovinch artiflery firing was followed by infantry tacks in which the Russians took many visoners, repulsing German counter at a less near Smorgas, the Russians and lermans also are engaged in a severe strongele. fermans also are engaged in a severe

truggle.
Roumania, it is said here, is awaitione move by the entente forces at

oniki.

The near east interested in the bles through the Caronians in Mean amin. The Russian armidvancing fowards Bagdan a sack under pressure of some typh forces brought against it, where from the Black sea to the religious their own.

No news has been received recent rom the British army in Messopotan ut it is believed linastivity in force the intense heat.

London, any 7.—Capture by the height of a German trench on a tight of owner region was asnounced officially today.

Somme region was asnounced officially.

The British resumed the offensive vertain meetors east of Albert at dicoday. At the same time the Goral annehed heavy attack on the British made and the British made progress.

In the vicinity of Owillers and a talminson as well as near La Holisthe British made progress. In the gion of Threptyal, the Germans region a section of lost ground.
