# UNCLE SAM GETS WOMEN A JOB NOW THROUGH BUREAU

Women and Girls Division of Employment Service Is Put In Operation

THE NEW PLAN IS TO BE NO EXPERIMENT

The Greater Need Is Pointed In the Shiness of Women Who Don't Like To Go To Employment Status-Vocational Training Also.

Washington, July 13 .- Uncle Sam's all ready to help his women and girls

Organization of the recently created Women's and Girl's division of the United States Employment service of

the Bureau of Immigration now is on a working basis, Commissioner General of Immigration Caminetti announced here

closed that women and girls don't like to don't with men when they go to an employment bureau, that's why

The service stations will give specia attention to the requests of women wagcarners for work and to meeting the demand for female help in rural as well

as urban communities.

If a woman in Des Moines wants a job in Kansas City but doesn't know much about conditions down there, she will be told by the burean. Detailed information about pay, hours and genersal by the bureau.

If the woman wants to get into a certain kind of work but doen't know enough about it to be efficient, the burean nearest her home will provide her a vocational training course along that line and be hunting a job for her mean-

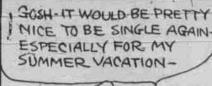

Each bureau is responsible to the government ernment for the sort of places it sends the women and girls from exploitation and misdirection; and no woman or girl aball be directed to an opportunity un-less the character of the place and the employer has been established to the

operate with Unele Sam's women agents getting efficient female help placed

New York, July 13.—There appeared upon the beach at Concy Island today the new-force of "Police Mothers," a volunteer organization of women possessing police authority, whose members patrol the sands to keep harm from the thousands of girls who come alone to The force is commanded by Mrs. El-the big resort.

the big resort.

len Craig, of the departs of parks of the Borough of Brooklyn. While the Police Mothers co-operate with the regular police, their work is more personal and calculated to prevent trouble for the girls rather than to stop it after it has notice started. The patrolled district Brighton. The Police Mothers serve
