

STUMPF'S HIT WON FOR TAR HEELS

Well Played Game Yesterday Between Local Boys and Norfolk Tars Goes to Rocky Mount 2 to 0.

It was Stumpf's trusty willow that in the first frame gave the Tar Heels a victory by a 2 to 0 score against Norfolk, and this clutch ended the hitting off Magalis who gave up but two means by hits. Cochran on the mound for the Tar Heels was effective throughout and though he was found often but with men on the corners he measured to the task of retiring succeeding hitters with ease, popouts or via the strikeout route. The game was fraught with the sensation and play after play rivalled anything seen in mid season, while the only two runs scored were earned and the second came after a dash from first to the plate while Stumpf pulled up at second. Norfolk fought hard throughout and Manager Devlin in the ninth sent in three pinch hitters in a mad attempt to tie the score.

SOME SHORTSTOP DEVELOPER THIS IS

Walter McCredie, of Pacific Coast League, Has Sent Many Shortstops to the Majors and They Stay There.

New York, May 3.—Walter McCredie, manager of the Portland Pacific Coast League club, is ready to send another shortstop to the major leagues, Charles Hechler, he declares, is ready, and will stick just as surely as some of the others McCredie has turned up.

McCredie has accumulated a habit of sending shortstops to the majors, sprigged around over both circuits as a smart former Beaver shortfielder.

Roger Peckinpaugh, now captain of the Yankees and one of the smartest and cleverest ball players in either league, was McCredie's first donation of any importance. McCredie dispatched him to Cleveland, but he was dropped there because shortstops were too plentiful scattered around the Cleveland park.

THIS WILL MAKE MILLIONS HAPPY

Any Corn Will Dry Up and Lift Out, says a Cincinnati Authority.

Let folks stop on your feet hereafter; wear shoes a size smaller if you like, for corns will never again send electric sparks of pain through you, according to this authority.

It says that a few drops of a drug called Frezzone, applied directly upon a tender, itching corn, instantly relieves soreness, and soon the entire corn, root and all, lifts out without pain.

This drug is sticky, but dries at once and is said to simply shrivel up the corn without inflaming or even irritating the surrounding tissue.

It is claimed that a quarter of an ounce obtained at any drug store will cost very little, but is sufficient to remove every hard or soft corn or callous from one's feet. Cut this out, especially if you are a woman reader who wears high heels.

GORDON-2 1/2 in. ARROW form-fit COLLAR 9 for 30¢

Ray Ryan and his Tar Heels left today for Portsmouth where they will play the last three games this week. The team has taken the big end of the series with Norfolk here and it is hoped that they will do still better with Portsmouth and take all three of them.

The team has done well so far this season, not standing the first three of the best men, White and others, have been out of the game temporarily on account of injuries. Whitecraft with a sprained ankle and Thors with an injured nose, caused by a thrown ball taking an ugly bound off Sunday's game. Let everybody pull for the Tar Heels this year, and make this season a success. They stand just a good chance to win the pennant as any other team in the league and a little encouragement from the local fans won't hurt.

ALFALFA CHAMPIONS WANT BALL PITCHER

Owens, Mich., May 3.—When a farm hand looks for a job in the Maple River district, south of here, the farmer does not ask him: "Can you run a gas engine?" He says: "Can you deliver a 'trough' ball?" "What was that?" he asks. "A ball that will deliver in a trough."

And just now it isn't important whether a farm hand can pitch a ball. That's because Maple River, champions of the All-Star League, are also pitchers.

Charles, baseball's former Major League star, has gone home and the whole community, from the Shawanoes town down to Bill Clinton's place in Belmont, is looking for a worthy successor to him.

"The baseball game has been a success," says the farmer. "The farmers wanted to provide amusement to keep their sons off their feet on the farm. Now they are so interested in the game, they are turning to it as a hobby."
