SOME FIERY AND CALM PLAYERS

Herein Below Are Found the Slight Differences Between the Fighter and Close-Mouthed Ball Players.

By H. C. Hamilton
(United Press Staff Correspondent)
New York, June 28.—It is a matter of fair-weathering to draw the line of popularity between the ball player who raises the rumpus on the field, and the steady, easier-going star who merely plays baseball to win, leaving the fighting to the more belittled.

Of types there are plenty of each variety in either of the big leagues. There are stars who are pointed to for their aggressiveness, and there are stars who are referred to as calm, close-mouthed players—men who are put off the field so seldom a fan cannot remember the happenings.

Of the belligerent type John J. McGraw, Charley Herzog, Arthur Fletcher, John Evers, Heinie Zimmerman, Ty Cobb, Fred Tyler, Miguel Gonzalez and Marvynville are the most prominent. And every one of them is a popular player. Perhaps there isn't a more popular man anywhere in the national pastime than the fiery leader of the New York Giants.

On the other hand there are Eddie Collins, Jack Barry, Joe Jackson, Roger Peckinpaugh, Wally Pipp, Leo Magee, Walter Johnson, Grover Alexander, Frank Baker and half a dozen other real, high-class ball players from

whom a real, live kick in angry tones never was heard. And these men are almost if not quite as popular as the ones listed under the headings of belligerents.

The Braves, when they were driving and sticking around the top of National league standings consisted one of the greatest drawing cards the game ever has seen. Every man on the club was a fighter. The club won its game by fighting. Ball-dozing was one of its greatest assets and the players made it go over.

Then there were the Athletics—men who rarely uttered a protest. The merely played baseball and were recognized as the greatest machine baseball ever has seen in action. They drew powerfully in every American league city.

The main difference seems to be in the quiet kind of a ball player draws his check intact, while the scrapper suffers the setback of the fines.

HORSE RACES HERE TOMORROW AT 1 P. M.

The big races to be held at the Rocky Mount Fair Grounds tomorrow, Friday, June 29, should prove a gala occasion to the people in this vicinity, and especially to those who enjoy seeing good horse racing. The first race, which is a free for all, will be called at 1 o'clock, p. m. In this race several horses have already been entered, among them being Billy Dail, who holds a grand circuit record of 2:05; Priscilla Harrell, Lucella, Lady Cochran, and others equally as well known to followers of the track.

The 2:18 trot is of especial importance number of entries from among the horses training in Rocky Mount during the past winter. The well known "Gardiner" was purchased by local sportsmen this week and will appear on the Rocky Mount track for the first time carrying the colors of a local owner. This horse has a winning record, and has won a few horses ever owned in North Carolina and has just won at Goldsboro and Tarboro.

The 2:30 race will bring out several of the green horses, and owing to the

numerous entries this should prove a very interesting attraction.

Every stall in the stables at the fair grounds is now occupied and it is possible that a few horses will have to be taken care of at local stables.

The fair company is charging an admission of only 50c to the grounds, with no charge for the grand stand. Vehicles will be admitted free and a space is provided for parking automobiles in side of the grounds.

Every effort has been made to provide maces of unusual interest and it is hoped that a large crowd will be on hand for the contests.

RESULTS YESTERDAY

National League.	
At St. Louis 2-6; Chicago 4-3.	
At Philadelphia 2; New York 4.	
At Pittsburgh 5; Cincinnati 6.	
At Brooklyn 7; Boston 3.

NEW ZEALANDERS ARE FINE SOLDIERS

Sydney, Australia, June 28.—New Zealand troops found eventually for the front were gathered in large numbers in Sydney recently. The streets were alive with them; stocky, soldierly looking youths whose uniforms contrasted markedly with those of Australian troops in that they wore tunics very like in cut those in use in the United States army and packed "cow pumper" hats. Every arm of the Dominion military service was represented. The Maoris during a parade of the troops through the city attracted the particular attention of the onlookers. The New Zealand Minister for Agriculture, W. D. S. MacDonnell, said of the troops, who were composed of both volunteers and conscripts, and of the operation of the compulsory service law in New Zealand:

"Although the conscription system is in force men still have the right to volunteer and it is always found when men are called up that more than half are volunteers. In my own electorate they have never had occasion for a draft. They have always been able to find the quota through the voluntary system."

"New Zealand does not make the slightest distinction between its volunteers and its conscripts. To each class precisely the same privileges are accorded."

GIVES BABY THREE POISON TABLETS

Albemarle, N. C., June 28.—One of the most unfortunates acts was said to have taken place Tuesday morning at Bain when a Mrs. Alex, of that place, according to her own confession, gave her four year old baby three bichloride tablets. The child is said by physicians who examined the contents of the stomach to be beyond hope of recovery and possibly will live only a few hours longer.

Corns Peel Right Off With "Gets-It"

2 Drops, and the Corn is a "Goner!"
When you've got to walk on the sides of your shoe to get away from those awful corn-pains, there's only one common-sense thing to do.

Use "Gets-It" Your Corns Won't Swell in Water. Besides, They'll Shrink, Loosen and Peel Off!

Put 2 or 3 drops of "Gets-It" on the corn right away. Pain and inflammation will disappear, the corn will begin to shrivel from that instant—then it loosens and falls right off.

There's no other corn-remover in the world that acts like "Gets-It." No new discovery has been made in corn-removers since "Gets-It" was born. Don't forget that fact. "Gets-It" does away forever with the use of knives that irritate, bandages that make a bundle of your toe, plasters that half do the work, knives and saws that draw blood. Use "Gets-It"—no more digging or cutting.

"Gets-It" is sold everywhere. See a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

TRENCH TALES FROM WAR FRONT

"This is my third time home with wounds" said a young Irish sergeant through bandages which came near covering his entire head "but its not going to be the last though they've made a pukka mess of me this time. They've fairly peppered me with strap. There aren't many of the lad crowd left with my battalion now" he said, adding that he had been in the "fun since Mons." "My company got a new draft not long before we attacked and the new boys went over the top like the rest of us other ones. That's the sort of thing that used to surprise us regulars, we've got over it by this time. It's all the one game and the new ones play it like good 'un. They're up to beating Fritz any time."

JENKINS & JEFFREYS

"The Five Tires"

Lower Tire Cost Than Ever—NOW

For, in the old days, tires not only cost motorists more per tire, but were also so far inferior to the present product, that the final cost—the cost per mile—was from 50 to 100 or more per cent. higher than you pay now.

United States Tires—the "Royal Cord", the "Nobby", the "Chain", the "Usco" and the "Plain",

- one for every need of price and use,
- produced by the largest rubber manufacturer in the world,
- produced by the most experienced tire manufacturer in the world,
- produced by a time-tried, exclusive, patented, vulcanizing process,
- produced of only the most carefully selected materials,
- have so far eclipsed every other make of tire that
- United States Tires are famous for their mileage-giving qualities—their low cost per mile.

The proof?—the consistent and persistent tremendous sales increases of United States Tires.

United States Tires Are Good Tires

A Tire for Every Need of Price and Use
