In the first basketball game of the season the Rocky Mount high school basketeers trounced the Tarboro squad for the third time in two weeks.

Although the local team has had very little practice, having been under the tutelage of Captain E. W. Miller for the past few days, it showed teamwork that caught the Tarboro boys off their feet and by their accurate passing kept the ball most of the time.

When the visiting team did get the ball, the orange and black boys guarded it with an efficiency and speed which recovered the ball. Tarboro's sole counter came in the first period when right forward Brothman got away for a long shot.
