Evidence Goes Show That International Organization is Working

Bureau Aires, Feb. 25—Belief that a widely read international organization is a 'web' of selling merchandise from the United States chamber of commerce in Argentina. The scheme, organized in the loss of valuable merchandise by shipping from ships plying to this port, is said to be the same character as that reported in Buenos Aires from Italy, Spain and England.

The investigation was made by the company of the United States of America which asked all the members to look similar packages. The increase in the past few months had been striking. The report says that the scheme was made to do a 'run' from the United States to the United States, through the United States, from Paris, France, Spain, and England.

Every Bottle Labelled

After being sterilized, filled and sealed, each bottle of Chero-Cola is labelled with the famous four-color label.

This label is your guarantee of a pure, wholesome drink! Without this label it isn't Chero-Cola.

The automatic machine labels bottles at the rate of two-a-second, or 7,200 each hour. Now you know some of the reasons why everyone admits "There's None So Good".
