Democratic Platform Is Nearest Labor Ideal

Washington, July 16.—Weighed against the specific demands of organized labor, the democratic platform adopted at San Francisco "more nearly approximated the desired declarations of human rights than do the planks of the platform of the republican party," Samuel Gompers, chairman of the special committee appointed by the American Federation of Labor to report on the labor's demands to both parties, said today, in reporting the result of the committee's work.

"In summarizing it is but to say that the democratic platform marks a measure of progress not found in the platform of the republican party," Gompers asserted. "The men and women of labor of the United States and her liberty loving people must judge between the declarations of these parties. The impending campaign is upon us and the citizenship of our country must determine its own future in electing those candidates who are most friendly disposed toward labor, justice, freedom, democracy and to defeat those who are less friendly or more hostile to these principles."

"Labor of America is not partisan to any political party; it is partisan to principles, the principles of justice and freedom. It undertakes neither to dictate nor control the choice of the workers or the citizenship generally for which party or candidates they should vote, but it would be a palpable violation of duty did we fail to place the facts before the voters of our country upon the records of both parties and their respective candidates for public office."

A LETTER FOR WOMEN

From a Woman Whose Serious Illness Was Overcome by Lydia E. Pinkham's Vegetable Compound.

Garnett, Kan.—"I first took Lydia E. Pinkham's Vegetable Compound for a complete nervous breakdown following the birth of my oldest child. I got up too soon which caused serious female trouble. I was so weak that I was not able to be on my feet but very little and could not do my housework at all. I had a bad pain in my left side and it would pain terribly if I stepped off a curb-stone. One day one of your booklets was thrown in the yard and I read every word in it. There were so many who had been helped by your medicine that I wanted to try it and my husband went to town and got me a bottle. It seemed as though I felt relief after the second dose, so I kept on until I had taken five bottles and by that time I was as well as I could wish. About a year later I gave birth to a ten pound boy, and have had two more children since and my health has been fine. If I ever have trouble of any kind, I am going to take your medicine for I give you the praise for my good health. I always recommend your medicine whenever I can."—Mrs. D. W. SMAY, Garnett, Kansas.

Harding refrains from mentioning his merits, but it'll be good reading when the democrats begin mentioning his demerits.

ALTON PARK, TENN.—"Dr. Pierce's medicines have been used a great deal in my family with the very best of results. I had a girl that had chronic bronchitis and I never found anything that would give her relief until I began giving her Doctor Pierce's Golden Medical Discovery and it gave her more real help than all other medicines put together. I have taken 'Golden Medical Discovery' for stomach trouble and it was excellent for this ailment; it purifies one's blood and seems to act upon, and build up one's whole system in a good, healthy state. 'Golden Medical Discovery' is a splendid family medicine and I take pleasure in recommending it."—Mrs. J. A. BEAN, 1500 Highland Avenue.

Few folks or families now living have not at some time or other used Dr. Pierce's Golden Medical Discovery for the stomach, liver or blood. Over twenty-four million bottles of this tonic and blood remedy have been sold by druggists in this country.

WEST FRANKFORT, KY.—"I can recommend Dr. Pierce's Pleasant Pellets most highly for they have been used for many years past by my own people and by my husband's and later on by myself. I have never known such a mild and effective remedy for sluggish liver and constipation as Dr. Pierce's Pleasant Pellets."—Mrs. A. D. HARRIS, No. 608 Polgrove Street.

These little, sugar-coated pills are composed of Maltapple, leaves of aloe, root of jalap—things that Nature grows in the ground, and are sold by druggists everywhere.

Mrs. J. M. Craig, of Los Angeles, Calif., who says no one can feel more grateful than she does. Declares she has gained twelve pounds and her health is now better than in years.

"Of all the people who have taken Tania, I don't believe there is anyone who feels any more grateful to it than I do." was the statement made recently by Mrs. J. M. Craig, of 674 1/2 East Fortieth street, Los Angeles.

"Like so many other families during the influenza epidemic last year we all had it, and my own illness, together with the worry over the rest of our family, brought on a case of genuine prostration. I was so weak I couldn't even sweep the floor, and during the day I would have to lie down four or five times. I tried to walk but found out half a block was all I could stand before I gave out. Nervous spells came on me often. Every medicine I tried failed to reach my case until finally my husband urged me to try Tania, and I am indeed thankful that he did, for it proved to be just what I needed. The first two bottles didn't seem to help me. I guess that was because I was so extremely bad off, but on the third bottle I could tell I was improving and that gave me more hopes than ever of getting well. My improvement from then on was rapid and by the time I had taken five bottles of Tania, I was better and stronger than I had been in years. I

was sleeping soundly at night and had gained twelve pounds in weight.

That was several months ago and from then until now I have been in as good health as I ever was in my life and have been doing all the housework by myself.

It is simply remarkable how Tania has built me up and I have told every one of my friends and relatives what a wonderful medicine it is.

Tania is sold in Rocky Mount by the Koser Drug Co., in Pinetops by the Pinetops Drug Co., in Tarboro by R. E. L. Cook, in Manteo by R. P. D. from Nashville by C. A. Edwards and Co.

"What's the use?" asked Mitchell Palmer when informed there would be an investigation of his campaign expenditures. No use. That's why the senate is doing it.
