COLTS CONTINUE UPWARD CLIMBING

Take Newport News Aggregation Into Camp by 7 to 0 Count

RICHMOND, Va., Aug. 6.—The Richmond Colts continued on their rampage yesterday by taking the crippled Newport News team into camp by the score of 7 to 0. Morgan, with an injured finger, started the game for the Builders, but only lasted two innings, when Beal from center was put in the box. Before a larger crowd on a more cheery day McWhorter would have been given credit for pitching a good game, but the players as well as the small crowd were at no time full of pep. Jimmie Poole starred for the Colts with two doubles, which meant runs both times. McWhorter allowed only two hits and scored two of the runs. It looks like another clean sweep this weekend for Richmond.

Score:
R. Richmond 000 230 10x-7
Newport News 000 000 000-0
Summary: Two base hits, Smith, Poole (2), Lake, three base hits, Aragon, Stolen bases, Poole. Left on base, Richmond 5; Newport News 2. Base on balls, off Beale 5, Hits, off Beale, 8 in 7 innings. Struck out, by Beale, 2; by McWhorter, 3. Time of game, 1:50. Umpire, Kessan.

GREENVILLE WINS

WILLIAMSTON WINS, 3 TO 2
Washington, Aug. 6.—Williamston defeated Washington here yesterday afternoon by the score of 3 to 2.

Tells Why East Has Advantage in Tennis

Philadelphia, Aug. 6.—The reason the East has an advantage over all other sections of the country in tennis is due to the fact that Easterners have more time to play the game, as owing to Dr. Edward T. Pancoast, formerly one of the best players in this city, now of Peru, Ind. He's visiting here.

Dr. Pancoast, an Episcopal layman, is still a keen student and player of the sport.

"The Middle West has just as good material to work with," he said. "We have stars who would be just as good as the best in the East. If they aren't we're not busy making a living."

"Take, for instance, Ralph Hardin. He is one of the leading players we have, who is so busy he feels thankful if he can get a racquet in his hands once a week. Ralph gave Bill Tilden, the world's champion, the hottest kind of a battle a short time ago and was leading 6 to 3 in the first set and 5 to 1 in the second when a volley hit the net. After a 10-minute lay-off, Bill did lost his terrific pace and Tilden finally won."

ANOTHER "BABE"
Reading—Seven fat offers have been made the Reading baseball club for Frank Brower, the "Babe Ruth" of the International League.

MAY REPEAT
Vernon—The Vernon Tigers are hoped to repeat in the Pacific Coast League. The Seniors and the Bees are the clubs which they'll have to beat to top.

The expenses of the British government since the beginning of the war have been placed at more than \$50,000,000,000.

SELF RELIANT HOME DOCTORS

What economists call "white collar disease" has made their annual collections of 1920 100% and higher, and the new doctor has a black hair problem to contend with. In one of these receipts from the Blackwood, New Jersey, town, he writes, "I am bound to its origin and so cannot tell how it grows, but I am bound to its cause, which is bound to me." And to others who have been troubled by this affliction, he says, "Don't let it bind you."
