The Evidence is at Your Door
Rocky Mount proof is what you want and the statement of this highly respected resident will banish all doubt:
R. F. Beaman, carpenter, 1001 W. Bassett St., Rocky Mount, gave the following account of his experience with Dean's Kidney Pills, June 27, 1911: "I had headaches, pain across my back and mornings I was so stiff and could hardly get out of bed. I had headaches and dizzy spells, my sight blurred and my kidneys didn't act properly. The kidney conditions were highly acute and a great relief. I took different remedies with no relief. On a friend's advice I began using Dean's Kidney Pills, which I got from the Kyoer Bros. and they soon brought me relief. They also put my back in good shape."
On June 13, 1918, Mr. Beaman writes: "The recommendation I received for Dean's Kidney Pills before will hold good. Dean's have always brought me relief whenever I have had occasion to use them."
