Hair Grown on Bald Head

After being almost totally bald, a New Yorker recently found something which brought out a new growth of hair of which he is so proud that he will send the information free to anyone who asks for it. Write John H. Britton, Station F, New York, N. Y. Many women and men who have lost their hair after all else failed. Cut this out, show others; this is genuine.

YOUR RECORDS

HOW DO YOU KEEP THEM?

The old gentleman who kept his accounts on his cuff couldn't have found the record a very lasting one. Equally transient and much more tedious is the system some people follow of keeping their accounts in their heads. The truly efficient and easy way to keep a record of financial transactions is to open a Checking Account with this institution.
