PREMIER VENIZELOS IS NOT IN DANGER

Paris, Aug. 15.—Athens is safe. Yesterday when the news came from Greece that the Greek capital is where it was in an amateur physician's care, who had extracted the bullet which lodged in his left shoulder, he was extracted this morning.

W. H. Brander, of Des Moines, Iowa, who declines to name twenty pounds to thirty days after taking Tancre and now feels like a different man.

Thirty days ago, a little more than a month ago, he weighed 120 pounds, but now his balance is still at 112 pounds and Tancre did it. It is said W. H. Brander, a well known and highly respected citizen of Des Moines, Iowa, Mr. Brander has been looking after the plumbing work of the Des Moines Public Schools for the past sixteen years.

"And many of the teachers and scholars can tell you how different I look since I began taking Tancre," he said. "I suffered from indigestion of the worst kind for the past year or more and was often so weak and dizzy I couldn't stand up for alone walk. Nothing helped me, I finally had to take my bed and stay there for several weeks. Finally a friend persuaded me to try Tancre and I have never seen or heard of anything to equal it. It relieved me entirely of indigestion and put me right back on my feet. I have not only gained twenty pounds in weight, but I feel like a new man in every way. I just think Tancre is the finest thing ever sold in a drug store."

Tancre is sold in Rocky Mount by the Kyser Drug Co., in Tarboro by the Pinetops Drug Co., in Tarboro by R. E. L. Cook, in Momeyer R. F. D., from Nashville by C. A. Edwards and Co.

MAURICE TOURNEUR PRODUCES A GREAT REALISTIC WORK

Rheumatism's Pains Are
Always Treacherous

Summer is an Excellent Time to
Combat the Disease.

Some cases of Rheumatism require little treatment during the summer season, for this reason, it is always favorable time to endeavor to find a treatment that will reach the entire cause of the trouble and remove it. "BELOVED CHEATER" WITH LEW CODY IS STARRED

Lew Cody, the most popular artist here, has developed, in years, a style all his own. "The Beloved Cheat" is a Belk-Hudson Picture production.

The Beloved Cheat, as he is called, is the idol of the girls, and, after three years, still one of the most popular among his admirers. In fact, he is second to Almanzo, but he is constantly improving. My less fortunate brothers try to give them advice on their love affairs.

He is put in a most embarrassing situation by an infatuation from one. Would his friend his friend's fiancee, how to lose?

Always willing to advise, "The Beloved Cheat" cavorts with the girls, and wins the girl away from her infatuated. Not usually this would be the end of the story, but there is a twist to this most surprising tale that makes her one of the most beautiful girls in the land.

"The Beloved Cheat" will be at the Palace tomorrow.

MONTAGU LOVE, SEEN IN NEW PICTURE, IS VETERAN OF SCREEN

Appears With Alma Rubens in "The World and His Wife" Coming Here Soon

Montagu Love, who has a leading role with Anna Rubens in the new Paramount Picture, "The World and His Wife," at the Palace, then the Auditorium, is a real veteran of the stage and screen, despite the fact that he is comparatively young man.

Mr. Love was born in Calcutta, India, of English parents, and early in life went to London to embark upon a stage career. He appeared successfully with Oscar Maule, William A. Henning and Leslie Henson. Coming to America, Mr. Love soon transferred his talents to the screen, which was then in its early period of development and starred in many productions.

"The World and His Wife" was inspired from a play by Charles Froelich. Montagu Love, in turn, is based upon a Spanish original. It is a picture full of life and color and passion. It spans a wide range of sentimentality, from the comic to the tragic. It is a Paramount Aircraft Picture produced by Cosmopolitan.
