### FIRST PHOTO OF KARL'S RETURN TO HUNGARY.

Ex-Empress Karl and members of his staff in the national park at Steinhilber, Hungary, while the former ruler of Hungary was walking to his train to return to exile in Sicily and after his vain attempt to regain the throne of Hungary. He stayed at Steinhilber several days, consulting with his advisers before he finally consented to return to Sicily.

**CENTER FIELDER MAKES HISTORY WITH TRIPLEPLAY**  
Knoxville, Tenn., April 20.—George Smiley, center fielder of the Pioneers, today did the rare feat of a sure hit, two runs and a grand slam in the Appalachian League, started a play in the ninth, caught the drive, stepped on second, and touched the corner from first. This is believed here to be the first all-around triple play ever made by an American.

### GIVE EXAMPLES OF SOVIET DISCIPLINE

#### Bolshevik Refugee in Finland Try to Kill Man Who Stole Food

Tervolke, Finland, April 20.—(The Associated Press)—The 8,000 refugees from the recent Kronstadt revolution in Russia who are quartered in Finnish concentration camps here and at Ito have just given a striking example of Bolshevik discipline.

The refugees are being fed by American Red Cross officers. The other day, one of them was caught by his fellow in the act of stealing a larger share of food than was due to him.

The others formed a committee, tried the man, found him guilty of stealing food, and then appeared before a Red Cross officer.

"Please give us enough guns to form a firing squad," they requested. "We found a man stealing food and will execute him immediately."

Informed that this was Finland, and not Bolshevik Russia, the committee was momentarily disappointed.

"But he must be punished," they insisted.

"All right," said the officer, "but no shooting here."

The committee then made the thief sleep, although the weather was bitterly cold, formed a long line in the goods, including about 150 men, and made the guilty man run naked 100 times from one end of the line to the other, shouting "I'm a thief!"

Discipline in these refugee camps has been excellently maintained, through the orders of Stephen Patriarchenko, the 29-year-old sailor who was president

### Time to Face the Facts

"So much has been said against the use of patent medicines that I have had a strong prejudice against them. But after four years' doctoring with six different doctors, without results, for acute indigestion, gastritis, constipation, appendicitis and other ailments, I was said to possess, I was encouraged to try Mayr's Wonderful Remedy, seeing what it had done for a friend similarly afflicted. I also was entirely relieved of my trouble, and am sure this medicine will do all and more than is claimed for it." It is a simple harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

May & Garham and druggists everywhere.
