EARL OF MINTO FOLLOWS OLD CUSTOM; CARRIES BRIDE INTO NEW HOME

The Earl of Minto, who was married in Montreal, Canada, recently to Miss Marion Cook, of Montreal, took his wife to his ancestral home in England and followed out the old custom which decrees that a bridegroom must carry his bride over the threshold of her new home. The custom is said to be a relic of the runaway marriages of olden times. The photo shows Lord Minto carrying the new Lady Minto into the house.

LOUISVILLE MAN GAINS 23 POUNDS

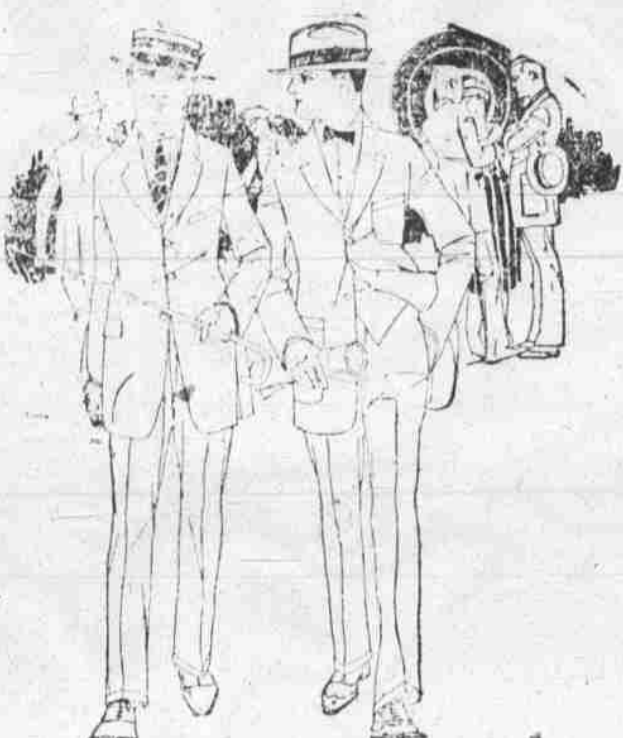

Five Years' Trouble Had Weakened Him So He Could Work But Very Little—Troubles Ended.

"If there was ever a time in my life when I felt better than I do now I don't remember when it was," said Michel McCreary, 541 South Clay street, Louisville, Ky. "I have not only gotten rid of stomach troubles and a starch of the head that made life miserable for five years, but I actually weigh twenty-three pounds more than I did the day I began taking Tanlac. I could not eat anything but very light food but what gas would form and keep me feeling sick at the stomach for hours. I had the worst sort of pains in my left side, and at night the catarrh gave me so much trouble I could get but very little rest. I lost thirty pounds in weight and had very little strength and

had to stay home from work for days at a time. "After I had finished my third bottle of Tanlac I was feeling like a brand new man. My catarrh was gone, my head felt clear, my stomach stopped

troubling me and I could lie down at night and sleep like a child. I can now eat anything I want and never feel a touch of indigestion. The fact is I have never felt better in my life than I do right now."
