HURT ALL OVER Texas Lady Couldn't Sit, Stand or Lie With Any Comfort. Says "Cardui Did World of Good." Bartlett, Texas.—Mrs. Nannie Messer, of Route 7, this place, states: "About three years ago I was in a very painful condition. I had been suffering for some time. To tell how I felt would be impossible. I just hurt all over. I couldn't sit, stand or lie with any comfort, my back would bend all gave me a great deal of trouble. I was especially bothered with a sharp pain in my back. My people were very kind, a doctor was called but he was unable to see if a change would do me any good. I thought of a friend's wife's and she had a great belief in Cardui, and she said she would give me a trial. I tried it and in a few days when I felt it would do me good. This time when I used it right along and it did me just a world of good, since which time I have never ceased to praise Cardui." Cardui is for simple female complaints and women's pains and has been found to benefit in thousands of cases when not due to malformation of the uterus, or other treatment. Try it. N. C. 1554
