Politics and Freight Issues Mixed In Charges and Denials by Chairman Lee and Beaman

Present Chairman of Corporation Commission Declares That Traffic Association Secretary Is Furthering Rate Fight to Handicap His Chances for Re-Election

Richmond, April 27.—The present chairman of the Corporation Commission, Lee, today declared that the secretary of the Traffic Association, Beaman, is furthering a rate fight to handicap his chances for re-election.

Lee, who is a candidate for re-election, declared that Beaman's actions are designed to prevent him from being elected.

Beaman, in turn, denied the charges and declared that he is only acting in the best interests of the public.

The Corporation Commission is currently reviewing the proposed rate changes.

The Traffic Association is a group of merchants and business owners who are concerned with the cost of shipping.

The Corporation Commission is a state agency that regulates public utilities and transportation.

The rate fight has been ongoing for some time, with both sides making strong arguments.

The public is expected to be affected by the final decision on the rates.

The Corporation Commission will hold a public hearing on the matter.

The Traffic Association is expected to continue its efforts to lower rates.

The Corporation Commission is expected to announce its decision soon.

The rate fight is expected to continue until a final decision is reached.

The Corporation Commission is expected to be re-elected in the coming year.

The Traffic Association is expected to be a major force in the rate fight.

The Corporation Commission is expected to be a key player in the rate fight.
