RAN away without the least provocation, from the Hermitage, a few days since, a Negro fellow named TELLEMACHUS, commonly called Macus, is a well made fellow, civil and plausible of a black complexion, and is about 5 feet 9 inches high, speaks plain English—his wife is the property of Thomas Hill, Esq. named Olive, who I am informed is gone up to Chatham county with her mistress, and it is probable the fellow is gone up there after his wife and may be harboured about Fayetteville or on Mr. Hill's plantation, or somewhere near Wilmington.

I will give any person a reward of Twenty Dollars who will apprehend the said fellow and bring him to me at the Hermitage. J. BURGWIN. August 18.

ALEX. DUNCAN MOORE. August 6.—1f.

200 Dollars Reward.

RAN-AWAY from the subscriber in the State of Georgia, on the 5th of March last, two negroes, ISAAC & BETTY; they are both from North-Carolina and have been seen on their way back—Isaac was originally the property of William Tucker who lives in Sampson County some distance above Wilmington; he was brought into the State of South Carolina by a Mr. Henry Cannon, and there sold to a person by the name of Munson, from whom I purchased him—Betty was originally the property of one John Wells, whom she said lived on Neuse or New River—I bought her of Jesse M'Call, Esq. of this State. They are both of black complexion and very likely—the fellow about 5 feet 10 inches high; 22 or 3 years of age—The wench is very short and remarkably well made, has an impediment in her speech, from 18 to 20 years of age—she was stolen off by the fellow—has a free wife in the neighbourhood of Mr. Tucker his former master, and most probably will attempt to pass as a free man. The above reward will be paid to any person who will deliver the said negroes to the jailer of Savannah (Georgia) or one hundred dollars to have them confined in irons, in any good jail either of the seaport Towns on the Continent, provided information be immediately given me by post, the letter to be sent to the Savannah Post-office.—If they should be taken separately, the reward will be paid at the rate of two thirds of the respective sums for Isaac and one third for Betty. I suspect Isaac carried off Betty, for the purpose of making her his slave, and that himself and his free wife will remove to Virginia.—A reward of two hundred and fifty dollars will be paid to any person who will prosecute to conviction any white person found harbouring them.

Fordam Peafe, about 25 years of age, five feet ten inches high, light complexion, stout and well made, round shouldered, has had his right hand much hurt by the cut of a sword, which has caused it to be withered very perceptibly; he is a native of New-England, and has sailed as Captain of a vessel out of this port for Messrs. R. and G. M'Candlefs. Also Ebenezer Saunders, late Post-Master at George-Town, on the eastern shore of this State, about 24 years of age, six feet high, dark complexion, thin and spare made, has a small blue spot on his left cheek, let in with India ink, and has lost one of his upper foreteeth. Van Bond, about 21 years of age, five feet six inches high, dark complexion, slender made, has a sharp thin face, with short black hair: they all have a variety of clothing, which renders the description unnecessary. I will give two hundred dollars to any person that will deliver Fordam Peafe to me, in the city of Baltimore, or secure him in any goal in the United States; and one hundred dollars for each of the others, if delivered or secured as aforesaid.

Also, made his escape at the same time Peter Sinii, a Frenchman, about 21 years of age, dark complexion, five feet 5 or 6 inches high, much pitted with the small pox, thin and spare made, with remarkable black hair, which he wears tied. Twenty dollars will be paid for apprehending the above Sinii, or securing him as above mentioned.
