 templated to commence in Wilming-
 ton, during the sitting of the ensuing
 superior court, or as soon thereafter
 as the sale of the Tickets will permit.

 The great inconvenience which the
 citizens of Brunswick county and the
 district generally, experience from
 the want of a proper seminary of
 learning, and the disadvantages re-
 sulting to parents from sending their
 children abroad for the purpose of
 education, will it is hoped, stimulate
 them to lend their fostering protection
 to an institution so highly important
 to the welfare and happiness of a free
 and independent state.

The natural advantages of Smith-
 ville as a place of education, are ma-
 ny and of the first importance.—Its
 situation is agreeable, and being in
 sight of the Atlantic, from the salu-
 brity and pleasantness of the air, and
 goodness of water, a place of polite
 and fashionable resort in the summer;
 whence, in addition to the advantages
 of country schools, the manners of the
 students would be polished and their
 understanding refined.—It bids fair to
 be a place of commercial importance,
 and from its vicinity to the sea and a
 constant supply of fresh diet, health-
 ful might be expected in a few years
 as in any part of the district. The
 county in which it lies is acknowl-
 edged to be the best range for stock in the
 state, and although not surrounded by
 fertile lands, is easily supplied with
 other provisions by the facility of naviga-
 tion. From all which, especially the
 healthfulness of the situation and
 probable cheapness of diet, it de-
 serves to be encouraged as a District
 School; and should the Trustees be
 enabled by the assistance of their fel-
 low citizens, to carry the good design
 into execution, which they fondly
 hope will be the case, it shall be their
 care and study to procure teachers of
 the most respectable talents and char-
 acter, and to establish the institution
 on a basis that will prove a lasting
 benefit to, & a monument of the public
 spirit and liberality of the district.

Tickets to be had of John Lord,
 Joshua Potts, Benjamin Smith, Ben-
 jamin Mills, John G. Scott, A. Hall,
 and of other gentlemen in each county
 of the district, who will give timely
 notice by advertising at the Court
 Houses, of their having them for sale.
 By order,
JOHN CONYERS, Sec'ry.
 Wilmington, October 11, 1803.

NOTICE IS HEREBY GIVEN,
THAT a petition will be pre-
 sented to the ensuing General
 Assembly, for the purpose of an-
 nexing that part of Brunswick
 county on the west side of Wa-
 gaw river, to Bladen county.
 October 25.
