CONDITIONS OF INSURANCE.

I. PERSONS desirous to make Insurance on Buildings, are to deliver in to the Agent the following particulars, viz.—Of what materials the walls and roof of each Building are constructed, as well as the construction of the buildings contiguous thereto—whether the same are occupied as private dwellings, or how otherwise—where situated—also, the name or names of the present occupiers.

Each Building must be separately valued, and a specified sum insured thereon—and in like manner a separate sum insured on the property contained therein.

All Manufactories which contain Furnaces, Kilns, Stoves, Cooks, Ovens, or otherwise use Fire-Heat, are chargeable at additional rates.

In the Insurance of Goods, Wares, or Merchandize, the building or place in which the same are deposited, is to be described, also, whether such goods are of the kind denominated hazardous, and whether any Manufacture is carried on in the premises.—And if any person or persons shall insure his or their Buildings or Goods, and shall cause the same to be described in the Policy otherwise than as they really are, so as the name be changed at a lower premium than is here proposed, such Insurance shall be of no force.

II. Goods held in trust, or on commission, are to be insured as such, otherwise the Policy will not extend to cover such property.

III. No loss or damage to be paid on Fire happening by any Invasion, Foreign Enemy, Civil Commotion, Riot, or any military or usurped Power whatever; nor for damage done by fire, occasioned by Earthquakes or Hurricanes; but this company will make good losses on property burnt by Lightning.

IV. Books of Accounts, Written Securities, Bills, Bonds, Tallies, and Ready Money, cannot be insured.

V. Jewels, Plate, Medals, or other Curiosities, Paintings and Sculptures, are not included in any Insurance, unless such articles are specified in the Policy.

VI. Persons insuring property at this Office, must give Notice of any other Insurance made elsewhere on their behalf on the same, and cause such other Insurance to be endorsed on their policies; in which case each Office shall be liable to the payment only of a rateable proportion of any loss or damage which may be sustained; and unless such Notice is given, the Insured will not be entitled to recover in case of loss.

VII. No order for Insurance will be of any force, unless the premium is paid to the Agent, or unless a sum has been advanced, and the Agent has delivered his receipt on Account of the Office; and all persons desirous to continue their Insurances, must make their future payments annually within fifteen days after the day limited by their respective Policies, or the same will be void.

VIII. All persons assured by this Company, sustaining any loss or damage by Fire, are forthwith to give Notice to the Company's Agent, and as soon as possible after, to deliver in as particular an account of their loss or damage, signed with their own hands, as the nature of the case will admit of, and make proof of the same by their oath or affirmation, and by their books of accounts or other proper vouchers, as shall be reasonably required; and shall procure a Certificate under the Hands of a Magistrate or Sworn Notary of the City or District in which the Fire happened, not concerned in such loss, importing that they are acquainted with the character and circumstances of the person or persons insured, and do know, or verily believe, that he, she, or they, really and by misfortune, without any kind of fraud or evil practice, have sustained by such Fire, loss and damage to the amount therein mentioned; and until such Affidavit and Certificates are produced, the Loss Money shall not be payable; also, if there appears any fraud or false swearing, the Claimant shall forfeit his Claim to Restitution, or Payment, by virtue of his Policy.

IX. In case any difference or dispute shall arise between the Assured and the Company, touching any loss or damage, such difference may be submitted to the judgment and determination of Arbitrators indifferently chosen, whose Award in writing shall be conclusive and binding to all parties. And when any loss or damage shall have been duly proved, the Insured shall receive satisfaction to the full amount thereof, without allowance of any discount, fees, or other deduction whatever.

X. Persons desiring to insure for seven years, will be charged for six years only; also, for a less number of years than seven, will be allowed a reasonable discount.

N. B. This Office insures to the full amount of the real value of the property, they also insure for a term of time less than a year if required, and pay for property insured if burnt by Lightning.

For the convenience of persons living at a distance from the Office, orders for Insurance (post paid) will be duly attended to, and on remitting the amount of Premium, &c. Policies will be executed and forwarded conformably thereto, free of any expence of Brokerage or Agency.

Such persons as may have been already Insured in the Company's Office in London, may have their Policies renewed at this Office, on the terms and conditions here offered.

The Agent hopes, from the moderate rates of premium which the Company have fixed; their well known ability to satisfy losses, and their very liberal conduct towards sufferers Insured in their Office, that no further inducement was required by persons wishing satisfactory security of their property from loss by Fire, to make Insurance thereon with them, than the convenience and facility of effecting Insurance, secured by this Establishment.

JNO. MAYNARD DAVIS, Agent

To the Phoenix Insurance Company of London.
