 vented PRESERVER SCARFS (under Pa-  
 tent) can be supplied by applying to Joshua

The Screens are warranted to sift Ninety  
 hundred weight per day, making a complete

They will be finished in Charleston com-

 to the task of using them for use.—The  
 simplicity of their construction, and great  
 durability, together with the immense sav-

 cleaning of the grain, renders them a truly  
 valuable acquisition to every Rice Planter.
